Education, Arts, and Humanities**

Sight Works Reading Things:

Teaching Kids to Read For Dummies Tracey Wood, 2011-04-27 You're thinking of teaching a child to read. What a great idea! Now all you need is exactly the right blueprint. This easy-to-follow book is written with two people in mind: you and the child you're thinking of teaching. Mother and children's reading specialist Tracey Wood gives you all the down-to-earth, honest information you need to give a child a happy, solid start with reading. **Teaching Kids to Read For Dummies** is for parents of young children who want to give their kids a head start by teaching them to read before they enter school or to supplement their children's school instruction as well as teachers and caregivers of young children. Filled with hands-on activities that progress a child from sounds to words to sentences to books, this friendly guide shows you how to: Prepare a child to read; Sharpen his listening skills; Correct her errors graciously; Choose the right books; Have kids read out loud; Find help if you need it; Whether the child you want to teach is two or twelve, fast-paced or steady, an absolute beginner or someone who's begun but could use a little help, this empathetic book shows you how to adapt the simple fun activities to your child's individual needs. You'll see how to make activities age appropriate, how to add more challenge or support, and how to make gender allowances if that's relevant. Plus, you'll discover how to lay the foundation for good reading skills; Tell the difference between a reading delay and a reading problem; Help your child build words from letters and sounds; Advance to short and long vowel words and conquer syllables and silent letters; Select entertaining workbooks; Recycle them and make up your own reading activities; Get your child ready for sentences; Keep your child reading with others or on his own. Complete with lists of word families, phonics rules, and reading resources, **Teaching Kids to Read For Dummies** will help you make learning fun for your child as he or she develops this critical skill. **Go Books** Gordon Winch, 1999 Reading with Jesus Dr. Carol McIlwain Edwards, 2009-06 **READING WITH JESUS** You Can Teach Your 4 or 5 Year Old Child To Read In 90 Days is a fun, powerful, and easy-to-use tool for the entire family. Parents are teaching their precious 4 and 5 Year Old Children to read in 90 Days. This effective tool is designed so that educators and non-educators can implement with confidence.

Teaching Reading and Writing Andrew P. Johnson, 2008-09-08 Providing a wealth of simple, research-based strategies for teaching reading and writing, this book is designed for each chapter to be accessible to teachers, tutors, parents, and paraprofessionals. **Teaching Reading and Writing** demonstrates that effective literacy instruction does not have to be complicated or expensive. Each chapter provides easy-to-use techniques and with Internet search terms. This guide presents teaching methods that can be implemented without having to acquire additional books, packages, or other instructional devices. All you need is paper, pencil, books, teacher creativity, and imagination, and a desire to help students. **Reading Assessment and Instruction for All Learners** Jeanne Shay Schumm, 2017-02-13 Weaving together the latest knowledge and best practices for teaching children to read, this indispensable text and professional resource provides a complete guide to differentiated instruction for diverse learners. Uniquely integrative, the book places the needs of English language learners

and students with disabilities front and center instead of treating them as special topics Accessible chapters on each of the core components of literacy clearly demonstrate how to link formal and informal assessment to evidence based instruction Special features include Research Briefs Tech Tips Internet Resources Reflection and Action Questions and dozens of reproducible student activities and assessment tools
