Lost Women Of The Bible Finding Strength And Significance Through Their Stories:

Lost Women of the Bible Carolyn Custis James, 2009-08-01 You know the women of the Bible but you don't know them like this. It's easy for Christian women young and old to get lost between the opportunities and demands of the present and the biblical teachings of the past. They live in a confusing world caught in the crossfire between church and culture. Although home and family still remain central, more women than ever by choice or by necessity are blending home, career, and ministry. They need strong biblical role models to help them meet these challenges. Building on solid scholarship and a determination to wrestle honestly with perplexing questions, author Carolyn Custis James sheds new light on ancient stories that bring the women of the Bible into the twenty-first century. This fresh look at the women in the Bible unearths surprising new insights and a powerful message that will leave readers feeling challenged, encouraged, and deeply valued. Rediscover and be inspired by Eve, Sarah, Hagar, Tamar, Hannah, Esther, Mary, and others. *Matriarchs of the Messiah: 2nd Edition* Jo Ann Skousen, 2023-02-14 The God of Abraham, Isaac, and Jacob is also the God of Sarah, Rebecca, and Leah. In this fascinating book, renowned scholar Jo Ann Skousen shines light on Christ's maternal ancestors, including the reformed harlot Rahab, the kind and loyal Moabite Ruth, and the beautiful Bathsheba. Filled with insights that still apply today, this is a must-read for followers of the Holy Bible. *Identity Crisis* Sarah Yoon, 2015-03-17 This book provides a general overview of the identity crises of BMB believers from Muslim background. Women in Jordan go through and reasons for it. Traditionally, persecution from family, community, or the secret police is thought to leave these women with newfound faith. However, even before persecution, they expose their new faith. Many initial believers give up seeking the new truth and return to their previous phase due to a serious identity crisis. This phenomenon is found to occur particularly often among female BMBs because of their unique circumstances in the religious and sociocultural contexts of Jordan. Through an examination of BMB women's narratives, this book explores how Muslim women form their identities and what they experience in the process of conversion. *The First Gentleman* Dr. Jacqueline Tuggle Taylor, 2012-05-10 Female leadership has been a topic of debate for centuries between theologians and laity. Christians and non-Christians, as well as men and women. This study will present a theological analysis of the debate concerning male and female roles in leadership positions and ministry. An analysis of the role of the female pastors' spouse, the effects of sexism in religion, and how it has influenced the ecclesiology of the church will be examined, as well as reflections of case studies employing biblical narratives of couples in the Bible. Each scenario identifies the particular role of the husband and the wife specifically when the wife is the spiritual leader. Read with anticipation the outcome of biblical interpretation of the roles of the female leader and their spouses. **The Gospel of Ruth** Carolyn Custis James, 2008 This isn't the Ruth, the Naomi, or the Boaz we thought we knew. Carolyn James has unearthed startling new insights from this well-worn story, insights that have life-changing implications for you. Naomi is no longer regarded as a bitter complaining woman but as a courageous overcomer. A Female

Job Ruth typically admired for her devotion to Naomi and her deference to Boaz turns out to be a gutsy risk taker and a powerful agent for change among God's people. She lives outside the box and her love for Yahweh and Naomi compels her to break the rules of social and religious convention at nearly every turn. Boaz the Kinsman Redeemer is repeatedly caught off guard by Ruth's initiatives. His partnership with her models the kind of male-female relationships that the gospel intends for all who follow Jesus. Carolyn James drills down deeper into the story where she uncovers in the Old Testament the same passionate counter-cultural rule-breaking gospel that Jesus modeled and taught his followers to pursue. Within this age-old story is a map to radical levels of love and sacrifice combined with the message that God is counting on his daughters to build his kingdom. The Gospel of Ruth vests every woman's life with kingdom purposes and frees us to embrace wholeheartedly God's calling regardless of our circumstances or season of life. This story of two women who have lost everything contains a profound message: God created women not to live in the shadowy margins of men or of the past but to emerge as courageous activists for his kingdom.

Unexpected Love Julie Coleman, 2013-02-04 How would you characterize Jesus in his interactions with women? Gracious. Preachy. Aloof. Kind. Dismissive. *Unexpected Love* is an essential read for anyone eager to understand Jesus Christ's true heart for women. We ache for a satisfying relationship with him and crave his healing touch. So did the women of the first century. Each approached him with something they wanted. They left with more than they could have imagined. Writer and teacher Julie Coleman carefully walks readers through the gospel narratives offering evidence of a perceptive Savior deeply concerned about the women he met. Through vivid descriptions, thoughtful questions, and empowering applications, she brings a fresh perspective to these sometimes puzzling stories. *Unexpected Love* offers a compelling vision of a Savior who meets us where we are and will take us where we need to go. Discover his passion for women. What you read will impact your own relationship with him. You will fall in love with the dynamic, beautiful, and unexpectedly personal Jesus.
