Friedland, 2024-07-05 *Canadian Criminal Law in Ten Cases* explores the development of criminal justice in Canada through an in depth examination of ten significant criminal cases Martin L. A Rush to Judgment Roger E. Salhany, 2019-12-28 Did Louis Riel have a fair trial The trial and conviction of Louis Riel for treason in the summer of 1885 and his execution on November 16 1885 have been the subjects of historical comment and criticism for over one hundred years A Rush to Judgment challenges the view held by some historians that Riel received a fair trial Roger Salhany argues that the presiding judge allowed the prosecutors to control the proceedings was biased in his charge to the jury and failed to properly explain how the jury was to consider the evidence of legal insanity He also argues that the government was anxious to ensure the execution of Riel notwithstanding the recommendation of the jury for clemency because of concerns that if Riel was sent to a mental hospital or prison he would eventually be released and cause further trouble Salhany compels readers to reconsider Canada's most famous trial in court history

Literary Land Claims Margery Fee, 2015-10-16 Literature not only represents Canada as our home and native land but has been used as evidence of the civilization needed to claim and rule that land Indigenous people have long been represented as roaming savages without land title and without literature *Literary Land Claims From Pontiac s War to Attawapiskat* analyzes works produced between 1832 and the late 1970s by writers who resisted these dominant notions Margery Fee examines John Richardson s novels about Pontiac s War and the War of 1812 that document the breaking of British promises to Indigenous nations She provides a close reading of Louis Riel s addresses to the court at the end of his trial in 1885 showing that his vision for sharing the land derives from the Indigenous value of respect Fee argues that both Grey Owl and E Pauline Johnson s visions are obscured by challenges to their authenticity Finally she shows how storyteller Harry Robinson uses a contemporary Okanagan framework to explain how white refusal to share the land meant that Coyote himself had to make a deal with the King of England Fee concludes that despite support in social media for Theresa Spence s hunger strike Idle No More and the Indian Residential School Truth and Reconciliation Commission the story about savage Indians and civilized Canadians and the latter group s superior claim to develop the lands and resources of Canada still circulates widely If the land is to be respected and shared as it should be literary studies needs a new critical narrative one that engages with the ideas of Indigenous writers and intellectuals
