Love Besieged Charles E. Pearce, 2015-07-04 Excerpt from Love Besieged A Romance of the Defense of Lucknow More than half a century has passed since the Mutiny of 1857 shook the structure of our supremacy in India to its very foundations The causes of the disaffection the identity of the actual leaders the methods of organisation are as mysterious now as they were then Time has done little to add to our knowledge of the native of India He moves slowly and silently he goes about his avocation apparently contented he pays his taxes and probably grumbles less than the average Englishman So long as all is quiet his rulers do not trouble they are satisfied everything is well if nothing is seen But the Eastern nature never changes It is as it has ever been subtle secret patient No one at the time of the Mutiny was able to penetrate below the surface The episode of the greased cartridges was but the spark which ignited the fuse The fuse itself was invisible the hands that laid it unknown Unrest in India the words might almost be stereotyped From time to time a mist of doubt has arisen has floated across the horizon has melted away About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
