Love In Idleness:

Love in Idleness Amanda Craig, 2007-12-18 In her delightful reimagining of A Midsummer's Night Dream Amanda Craig slyly serves up a witty cross cultural farce a modern day tale of love and lies set against the magical landscape of Tuscany When Theo a workaholic lawyer his English wife Polly and their two children rent an idyllic Italian villa they expect a relaxing summer holiday together Polly with her loved ones romantic interests at heart has invited an eccentric mix of friends and family along including three eligible bachelors a former model an Indian British divorcee with a young son and her own appalling mother in law They soon discover the Casa Luna is a strange enchanted place where people find their heart's desire but at a price Everyone falls in love though not with the people they expect and the results are surprising and hilarious

The victories of love* Coventry Patmore, 1890 The Concept of Love in Shakespeare's "A Midsummer Night's Dream" Clarissa Benning, 2016-06-16 Seminar paper from the year 2015 in the subject English Language and Literature Studies Literature grade 2.0 University of Bonn language English abstract William Shakespeare is one of the most important English authors his plays are well known today although he lived in the 16th century Especially his love dramas enjoy great popularity This paper deals with his comedy A Midsummer Night's Dream Nearly everybody knows the famous sentence Lysander says to Hermia The course of true love never did run smooth MND I i 134 Love is the main theme in this play and this sentence mirrors the love between the four Athenian lovers very well The flower love in idleness screws up the whole love constellation as well as Egeus Hermia's father who does not allow his daughter to marry the man she loves Throughout the play love is presented with a huge range of metaphors and it acquires new shapes It is notable that those metaphors who describe the love in the play are metaphors of nature The moon the image of inconstancy is often used to show the inconstancy of love between the four Athenian lovers caused by the magic flower Furthermore love is linked to the eyes but it is misleading however to conclude that there is a simple association between love and beauty just because the eyes are linked to love Besides Shakespeare shows the power of love between the protagonists Love is not only a feeling it changes the perception **Chapters XVII-XX.
