Fragments of a Love Story Llewellyn Vaughan-Lee,2011-09-01 The mystical path is the most intoxicating and paradoxical difficult and even dangerous journey one can ever take Fragments of a Love Story is a series of personal writings describing the passionate love heartache and confusion that belong to this journey In particular Llewellyn Vaughan Lee explores what for him is a central paradox what belongs to the individual the I who makes the journey and what belongs to God Whose journey really is it He discusses this primary mystical question from his own experiences of 40 years travelling the mystical path within the context of the Sufi tradition Some of these passages are very personal heartfelt full of contradictions and difficulties he has experienced Other passages are more objective more detached placing his experiences and questions clearly within this ancient mystical tradition In this way he shows how the Sufi path is lived today by a contemporary mystic Fragments of a Love Story takes the reader beneath the surface into the heart of the mystical relationship with the Divine which for the Sufi is the relationship of lover and Beloved He describes how this secret love affair is within the heart of each of us waiting to come alive unique to each of us and yet how confusing it can be especially for our rational Western consciousness This book is about the story of the soul and the passion that exists within the core of our being and how demanding and difficult it is to live this love affair But it also describes the beauty wonder and power of the divine love that awakens within the heart a love that is within each of us Llewellyn Vaughan Lee is a Sufi teacher and author and these writings come from his own experience of the Sufi path

THE DEPTHS OF SILENTNESS She wrote her love story and finally let it go She set it in the hands of fate which is something one does not often do No words need to be followed for those words will not mean anything in a realm of time that just stands still Living and learning from the blindness of the unknown she followed and trusted the spirits to bring the guidance of teachings into her reality She remembers coming to a place many years ago finding the strength within after all the pain and suffering that occurred Letting go of all internally and externally to do what she came here to do She listened to and believed in her guidance to have a conversation with one which changed the person she used to be into the person she needed to be The words that follow are only the words she feels and knows in her heart She learned from the one the most powerful lessons in reality basing happiness on another attachment letting go ego desires and being in the present moment of now The love that stood strong for one showed the love was eternally true INTERTWINING TWO VIEWS OF LOVE TO FIND ONE It s amazing what your heart tells you when you think you are not listening **Immortality and Love** Pasquale
