Pacific Well-Being Jione Havea, 2024-03-29 This book makes space 1 for Pasifika contributions to academic conversations on critical topics and 2 for influencing the conversations to account for and thus reflect Pasifika ways and modes The critical

topic that runs through the chapters is well being and the contributors were located at the time of writing in Pasifika Aotearoa Fiji Kioa Kiribati Samoa Tonga and Tuvalu but there are many more Pasifika voices and concerns than are represented in this work Nonetheless the ways in which this work seeks to influence the conversations on well being reflect the intersectional modes of thinking that native Pasifika Islanders share The essays are placed into three intersecting clusters well being of bodies and is lands well being of traditions and theologies and well being of imaginations and worldviews The rationale for this arrangement is that the well being of Pasifika requires attention to the present bodies and islands to the past traditions and theologies and to the future imaginations and worldviews The chapters address Pasifika questions and concerns and they are placed so that the conversations they spark can take place free of the traps of Western theories and disciplines with Pasifika accents and rhythms

The White Bonhoeffer Tim Judson,2025-01-31 As we start to name an aspect of his existence which long remained unspoken namely his engagement and wrestling with his own identity as inhabiting a white body interpreting and understanding Dietrich Bonhoeffer today is perhaps more complex than ever The White Bonhoeffer offers the first serious attempt to understand the theologian s doctrine and writing through the lens of critical whiteness

Discipleship Dietrich Bonhoeffer,2003-05-01 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches

The Virtue of Bonhoeffer's Ethics Jennifer Moberly,2013-06-19 Does Dietrich Bonhoeffer s Ethics have any affinities with what we have now come to call virtue ethics If so what is the relationship between those affinities and the more widely recognized influence of Karl Barth Moberly seeks to answer these questions through close analysis of the Ethics and engagement with other interpreters of Bonhoeffer while discussing the nature of virtue ethics in a Christian context The answers may be surprising but they are certainly rewarding for anyone wanting to better understand Bonhoeffer and to see how his work could be helpful for current ethical debates

Sanctorum Communio Dietrich Bonhoeffer,2009-07-01 Here is offered the complete text in translation annotated by the German and American editors The historical context is explained and textual commentary is provided in a Foreword and Afterword

Evolving Grace Jean-Pierre Fortin,2024-12-15 Evolving Grace The Spiritual History of a Christian Doctrine seeks to bring out the personal living significance and transformative

power of the Christian faith throughout the ages This book spans from Patristic foundations through the elaborated systematic constructions of the Middle Ages to the profound transformation induced by the Protestant Reformation and Roman Catholic responses to it to twentieth century de and reconstructions This theological history grounded in and reflective of the spiritual experience and development of real Christians in and from the past contributes to the production and nurturing of a living theology in and for the present *Bonhoeffer Abridged* Eric Metaxas,2014-10-07 From the New York Times best selling author Eric Metaxas an abridged version of the groundbreaking biography of Dietrich Bonhoeffer one of the greatest heroes of the twentieth century a man who stood up to Hitler A definitive deeply moving narrative Bonhoeffer is a story of moral courage in the face of monstrous evil As Adolf Hitler and the Nazis seduced a nation bullied a continent and attempted to exterminate the Jews of Europe a young pastor named Dietrich Bonhoeffer became one of the first to speak out against Hitler In this compelling book you will learn about Bonhoeffer s life as a double agent who joined the plot to assassinate the F hrer His story of courage and determination to do the will of God Facts about Adolf Hitler and their plan to exterminate the Jewish population Bonhoeffer was hanged in the Flossenbergr concentration camp at age thirty nine Since his death Bonhoeffer has grown to be one of the most fascinating complex figures of the twentieth century Bonhoeffer brings you face to face with a man determined to do the will of God radically courageously and joyfully even to the point of death It is the story of a life framed by a passion for truth and a commitment to justice on behalf of those who face implacable evil

Bonhoeffer and Christology Matthias Grebe,Nadine Hamilton,Christian Schlenker,2023-05-18 The key question this volume addresses is how does Bonhoeffer s thought help to re dis cover the doctrine of Christ s two natures and one person and understand and renew it in its significance for a modern post metaphysical and secular world The volume takes a fresh look at Dietrich Bonhoeffer s Christology and brings it into a fruitful dialogue with current Christological debates In a multi perspectival pluralistic world Bonhoeffer s thinking offers a productive basis for conceptually incorporating the openness required for this task into academic theology Bonhoeffer s theology offers a starting point for the recovery of a productive Christology that reflects the plurality of the globalized world as Bonhoeffer s Christology begins precisely with this integration into worldly reality whereby the world is understood in its plurality and polyphony In this way he characterizes his enterprise as follows What keeps gnawing at me is the question what is Christianity or who is Christ actually for us today DBWE 8 362 Accordingly it opens itself up not only to inner Christian discussion but also to non Christian worldviews from which a basic ethical demand follows

World Christianity and Ecological Theologies Raimundo C. Barreto,Graham McGeoch,Wanderley Pereira da Rosa,2024-10-22 World Christianity and Ecological Theologies invites scholars in religious studies and theology from different continents and contexts to a North South dialogue on environmental ethics political ecology and ecofeminism Throughout the global pandemic the connection between environmental rapacity religion and political interests has once again called scholarly attention to the important conversation on public religion and global

environment related issues Acknowledging a deficit among scholars of World Christianity in addressing environmental concerns and the field's limited language for framing those concerns this book aims to bring the fields of study of World Christianity religion and ecology into a sustained conversation with the goal of expanding the theoretical horizons of these fields World Christianity and Ecological Theologies reiterates that all Christian theologies are contextual as they shape and are shaped by specific historical and cultural circumstances It aims at showcasing the ways in which the intersection of religion and ecology is approached by scholars in religious studies and theology in the Global South or by those in conversation with them in the Global North pointing to what can be generated if these bodies of scholarship are engaged as dialogue partners to investigate new patterns of religious environmentalism **Ethics of Hope** Jurgen

story of two courageous opponents in Hitler's Germany who both bravely resisted the Nazis for World War II history buffs and fans of little known histories A story that needs to be heard Library Journal During the twelve years of Hitler's Third Reich very few Germans took the risk of actively opposing his tyranny and terror and fewer still did so to protect the sanctity of law and faith In No Ordinary Men Elisabeth Sifton and Fritz Stern focus on two remarkable courageous men who did the pastor and theologian Dietrich Bonhoeffer and his close friend and brother in law Hans von Dohnanyi and offer new insights into the fearsome difficulties that resistance entailed Not forgotten is Christine Bonhoeffer Dohnanyi Hans's wife and Dietrich's sister who was indispensable to them both From the start Bonhoeffer opposed the Nazi efforts to bend Germany's Protestant churches to Hitler's will while Dohnanyi a lawyer in the Justice Ministry and then in the Wehrmacht's counterintelligence section helped victims kept records of Nazi crimes to be used as evidence once the regime fell and was an important figure in the various conspiracies to assassinate Hitler The strength of their shared commitment to these undertakings and to the people they were helping endured even after their arrest in April 1943 and until after great suffering they were executed on Hitler's express orders in April 1945 just weeks before the Third Reich collapsed Bonhoeffer's posthumously published Letters and Papers from Prison and other writings found a wide international audience but Dohnanyi's work is scarcely known though it was crucial to the resistance and he was the one who drew Bonhoeffer into the anti Hitler plots Sifton and Stern offer dramatic new details and interpretations in their account of the extraordinary efforts in which the two jointly engaged No Ordinary Men honors both Bonhoeffer's human decency and his theological legacy as well as

Dohnanyi's preservation of the highest standard of civic virtue in an utterly corrupted state
