A Better Side of Me Miss T.L.C, 2017-02-10 I believe we all have had these thoughts once or twice in our life Some of us may feel we are cursed and were just left on this earth as someones cruel joke to manipulate and hurt Im sure that some of us may even be hurting due to circumstances from someone we love and trusted to care for us Whatever your thoughts and questions are there is an answer for it We may not always understand at the time but everything happens for a reason Timing is everything and remember above all some are sicker than others We are not all with healthy thoughts or feelings some people carry some pretty heavy stuff around with them as they try to get through their daily life Some of us carry our parents issues as well as our own This allows us to be bullied and picked on Some of us are desperate some of us are just confused on what we should do No matter what we say out loud or the actions we take the mistakes we make or carry for another will ever be hidden We show all our feelings in our actions as well as expressions We should never allow our self to feel like we dont belong we dont fit in or we are not loved This is our brain giving us false information because of a feeling or thought and sights we are producing This my friends is an unhealthy STATE OF MIND Having this will lead us to destruction lead us to

accurate Revelation is the great blessing and reveal for the next consciousness of your true inheritance The earth is powering to a higher awareness Be the Light because you are from Light Please consider your new destiny with an open heart Jesus Jeshuah Yahweh God I Am **Sagacity** Rev.Emily Kadi DD,2007-02-20 This anthology of the wisdom teachings of the sages is designed to be used as a reference or self help or in classes or groups It helps people to become aware of the possibilities of personal Soul growth to grow into living authentically as who and what one really is The book is offered as a course of study Ancient wisdoms teach us that when we know our own soul and live in integrity with it then we are happy healthy holy harmonious people who can and do fulfill the purpose of our birth Current wisdom teachings from current day Sages is included The course is designed to accommodate the focus of study on one concept per day for one year Each wisdom teaching is offered as a starting point for the possibility of perceiving the human life experience from a different perspective It is one way of applying the ancient teachings to contemporary life It is up to each individual to explore and experience each concept to determine the value of it to Self Each wisdom work and or author is introduced by a short essay on the work There are daily guides monthly summaries author summaries and a bibliography to gain more information on concepts of particular significance to the individual **Healing Express - Oracle Book** Kiran Groodoyal,2012-06 Healing Express Oracle Book is designed to provide answers guidance and messages of a divine nature In other words it is meant to deliver healing guidance to the reader It is a tool to reveal answers and gain spiritual insight into the present past and future by means of selecting a random text or texts from the book This is referred to as Bibliomancy the art of divination by means of a book The method is simple Flick through the pages open the book choose a passage and that s the answer *The Church Living Stream* Ministry,1993 *Iconoclasts* James Huneker,2015-02-12 Example in this ebook I HENRIK IBSEN I THE INDIVIDUALIST The Kingdom of God is within you Ferdinand Bruneti re has declared that there can be no tragedy without a struggle nor can there be genuine emotion for the spectator unless something other and greater than life is at stake This so exactly defines the dramas of Henrik Ibsen that it might have been specifically written to describe their dramatic and ethical content Whatever else Ibsen s works may be they are first soul dramas the human soul is not only their shadowy protagonist but it is the stake for which his characters breathlessly game throughout the vast halls of his poetic and historic plays and within those modern middle class apartments where the atmosphere seems rarefied by the intensity of the struggle Greater than life means for Ibsen the immortal soul immortal not in the theologic but generic sense the soul of the species which never had a beginning and never can have an end With this precious entity as pawn on Ibsen s dramatic chess board the Bruneti re dictum is perfectly fulfilled Let us apply to him and his plays a symbol let us symbolize the arch symbolist Ibsen is an open door The door enacts an important r le with him Nora Helmer in A Doll s House goes out of the door to her new life and in The Master Builder Hilda Wangel typifying the younger generation enters to Solness An open door on the chamber of the spirit is Ibsen Through it we view the struggle of souls in pain and doubt and wrath He himself has said that the stage should

be considered as a room with the fourth wall knocked down so that the spectators could see what is going on within the enclosure A tragic wall is this missing one for between the listener and the actor there is interposed the soul of the playwright the soul of Ibsen which prism like permits us to witness the refractions of his art This open door this absent barrier is it not a symbol What does Henrik Ibsen mean to his century Is he dramatist symbolist idealist optimist pessimist poet or realist Or is he a destructive a corroding force Has he constructive gifts aside from his technical genius He has been called an anarchic preacher He has been described as a debaser of the moral coin He has been ranged far from the angels and his very poetic gifts have been challenged Yet the surface pessimism of his plays conceals a mighty belief in the ultimate goodness of mankind Realist as he is his dramas are shot through with a highly imaginative symbolism A Pegasus was killed early under him as Georg Brandes says but there remains a rich remnant of poesy And may there not be deduced from his complete compositions a constructive philosophy that makes for the ennoblement of his fellow beings Ibsen is a reflective poet one to whom the idea presents itself before the picture with Shakespeare and Goethe the idea and form were simultaneously born His art is great and varied yet it is never exercised as a sheer play of form or colour or wit A Romantic originally he pays the tax to Beauty by his vivid symbolism and his rare formal perfections And a Romantic is always a revolutionist Embittered in youth proud self contained reticent he waged war with life for over a half century fought for his artistic ideals as did Richard Wagner and like Wagner he has swept the younger generation along with him He the greatest moral artist of his century Tolstoy not excepted was reviled for what he had not said or done so difficult was it to apprehend his new elusive method A polemist he is as were Byron and Shelley Tolstoy and Dickens Turgenev and Dosto evsky To be continue in this ebook
