Love Of Christ

John Preston

Love Of Christ:

A Heavenly Treatise on the Divine Love of Christ John Preston, 2013-03-11 John Preston D D 1587 1628 was a Reformed English puritan minister and master of Emmanuel College Cambridge It is clear that his heart was firmly set on the propagation of the Calvinistic theology his posthumous works edited by Richard Sibbes John Davenport Thomas Ball and partly by Thomas Goodwin D D are a storehouse of such sentiments How much do you love Jesus Christ Is your love true or manufactured Such questions rub Christians the wrong way since it calls into question whether or not one has true love to the Savior Jesus Christ Preston not only questions how one loves Christ but shows both how one might love Christ sincerely as well as the accursed state of those who do not love the Lord Jesus at all or in a hypocritical manner His text is 1 Cor 16 22 If any man love not the Lord Jesus Christ let him be anathema maranatha He shows how to love Christ reasons to love Christ who Christ is as the one we ought to love and consequences for not loving him as we should both as a Christian and as the result of not being converted This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions [Discovering the Glorious Love of Christ](#) John Durant, C. Matthew McMahon, 2021-03-15 Durant in this wonderful work on making a discovery of Christ's love to his people plumbs the depths of Christ's transcendent love from Ephesians 3 19 And to know the love of Christ which passeth knowledge that ye might be filled with all the fulness of God He will explain what it means that this love is transcendent It is a preeminent and supreme love lying beyond the ordinary range of perception Can such a study be accomplished adequately in light of Christ's infinite benevolence to his people Durant will take a course to outline and explain four main parts to his overall subject demonstrating how the love of Christ passes knowledge as it 1 includes the truth and reality of Christ's love to the saints 2 As it concludes the height and royalty or transcendency of that love 3 As it holds out the apostle's desire that the Ephesians might know both And 4 As it contains the grounds of keeping up the Ephesian's hearts from fainting at Paul's tribulations which is the drift and scope that Paul strives for in them In exploring this transcendent love of Christ to the soul he affirms that it is so high there is no reaching of it so deep that there is no sounding of it so long that it exceeds measuring and so broad that there is no comprehending it Yet believers are beckoned to strive to understand to apprehend it in its communication to their heart soul and mind In fact when they have finished reading this work by Durant if they have soaked in even a measure of what he explains they will come away with being lovesick for the Savior *The Love of Christ* Richard Sibbes, 2022-11-21 The Puritan John Dod wrote that this book is so full of heavenly treasure and such lively expressions of the invaluable riches of the love of Christ that it kindles in the heart all heavenly affections unto Jesus Christ Indeed it does And that was very much what Richard Sibbes 1577 1635 was about in all his ministry The Love of Christ is a series of sermons preached on Song of Solomon 4 16 6 3 For Sibbes this Bible book is nothing else but a plain demonstration and setting forth of the love of Christ to his church and of the love of the church to Christ The Song of Solomon does not simply mouth a

doctrine its sensuous imagery sings its message It is as if this love story is played on violins The reader is thus brought not simply to understand but to taste and share the delights of the lovers This is precisely what Christ s people need as Sibbes knew it is not enough to be aware of Christ s love we must sense grasp and enjoy it Only then will we truly love the Lord our God with all our hearts That is one reason why so many avoid books like this one they want information and they want it fast But Sibbes intends to affect you to hold your eyes on Jesus that you might develop a stronger appetite for him Such work cannot be fast work but it is profoundly transforming

The True Christians Love to the Unseen Christ Thomas Vincent, Rev Terry Kulakowski, Editor, 2015-11-28 The essence of Christianity is love God is love said the Apostle John Obedience to God s commands is nothing more than a manifestation of our love to God The Ten Commandments show how we are to love God and one another Love then is of the utmost importance in true biblical Christianity In this book first written in the 17th century and out of print since 1812 Thomas Vincent known for his lectures on the Shorter Catechism of the Westminster Confession of Faith expounds 1 Peter 1 8 whom having not seen ye love in whom though now ye see Him not yet believing ye rejoice with joy unspeakable and full of glory This is one of the most poignant tender books ever to come from a Puritan pen

Thoughts on the Love of Christ, as Manifested to a Lost World David Addison Harsha, 1851

The True Christian's Love for the Unseen Christ Thomas Vincent, 2025-05-30 Christian live is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title The True Christian s Love for the Unseen Christ The current edition has been proofread typeset for eBook readers and slightly updated for modern readers

Christ's Famous Titles ... Together with the Cabinet of Jewels, etc. [With plates.] William DYER (Minister of Cholsbury, Bucks.),1816 Christ's Loveliness and Glory ,1729 **Love to the Uttermost** Frederick Brotherton Meyer,1899 The True Christian's Love to the Unseen Christ Thomas Vincent,2014-12-27 This is one of the most poignant books ever to come from a Puritan pen Vincent wrote this priceless devotional based on 1 Peter 1 8 Jesus Christ whom having not seen you love There is of course nothing more basic in Christianity than love to Christ It is difficult to describe the passionate love for Christ that flows from every page of this treatment of the beauty of Christ Here is a warm bath and spiritual encouragement for weary souls Our Savior sent an epistle from heaven to the church of Ephesus wherein He reproved her because she had left her first love and threatened the removal of her candlestick He would take away her light if she did not recover her love By the same hand at the same time He sent another epistle to the church of Laodicea wherein He reproved her lukewarmness and threatened because she was neither hot nor cold that He would spew her out of His mouth Revelation 2 45 and 3 15 16 And are professors in Britain under no such sin in no such danger when some scoff at the flames of love to Christ like dogs that bark at the moon so far above them when the most nominal professors are wholly strangers to this love The former looking upon it as but a fancy the latter having it only in the theory and when among those Christians who love Christ in sincerity there are so few that know what it is to love Christ with fervor and ardency when there is so general a decay of love to Christ in the land Lord what is likely to become of Britain Have we not provoked the Lord to take away our candlestick Have we not provoked the Lord to suffer worse than Egyptian darkness to overspread us again and cover our light because it shines with such cold beams because the light of knowledge in the head is accompanied with so little warmth of love to Christ in the hearts of most Christians Everyone will fetch water to quench fire in a general conflagration and surely there is need in a day of such general decay of love to Christ that some such fetch fire from heaven and use bellows too arguments I mean to enkindle and blow up the spark of love to Christ which seems so ready to expire Reader the following discourse of the true Christian s love to the unseen Christ is not finely spun and woven with neatness of wit and language It is not flourished and set off with a variety of metaphors hyperboles rhetorical elegancies or poetical fancies and fragments It is not adorned and fringed with the specious show of many marginal quotations excerpted out of divers authors The discourse is plain but the author has endeavored that it might be warm his design being more to advance his Master than himself in your esteem and if he has less of your praise so that his Lord may have more of your love his great end is attained
