Love Of Good Women:

The Love of a Good Woman Alice Munro, 1999 Eight new stories about what people will do for love and the unexpected routes their passion will force them to take A prim old landlady in Vancouver with a crime of passion lurking in her past A young mother with a secret life who abandons her children to be with her lover A country doctor in the 1960s discovered by his daughter to be helping desperate women his special patients These and other fascinating characters weave their way through stories that track the changes that time brings to families lovers and even to friends who share old intimate secrets about the prostration of love in a collection that is clear eyed about the clutter of our emotional lives The rich layering that gives Alice Munro's work such a strong sense of life is particularly apparent in the title story in which the death of a local optometrist brings an entire community into focus from the preadolescent boys who find his body to the man who probably killed him to the woman who must decide what to do about what she might know Large moving profound these are stories that extend the limits of fiction

My Good Women: Lessons of Love and Faith Julie A. McMurtry, 2015-10-13
Sometimes on the journey of life it is easy to think that we are the first to walk this path or that we are alone in our struggles This book calls us to reflect on the lives that have touched our own Thinking about the women God has placed in your life who are they And what have they taught you The hope is that when you read these stories you will find yourself reflecting on the women who have loved you protected you and formed you Like the women in the Bible they may have made cakes when their pantries were empty visited when you were expecting your children wiped your tears when the sorrow was too much or made you laugh like no one else can May these stories make you laugh and cry and reach out to the women whose lives are squares in the quilt of your life May these stories fill your hearts with gratitude for the women you see every day and for the God who made us all Theirs are the stories of faith hope and love

Love of a Good Woman Alice Munro, 1999-10 In perhaps her boldest collection to date short story master Munro evokes the vagaries of love the tension and deceit that lie in wait under the polite surfaces of society and the strange often comical desires of the human heart

Collette,2014 A fresh reading of the Legend shows it to be one of Chaucer's most carefully crafted and significant works Professor Collette's approach to this challenging and provocative poem reflects her wide scholarly interests her expertise in the area of representations of women in late medieval European society and her conviction that the Legend of Good Women can be better understood when positioned within several of the era's intellectual concerns and historical contexts The book will enrich the ongoing conversation among Chaucerians as to the significance of the Legend both as an individual cultural production and an important constituent of Chaucer's poetic achievement A praiseworthy and useful monograph Professor Robert Hanning Columbia University The Legend of Good Women has perhaps not always had the appreciation or attention it deserves Here it is read as one of Chaucer's major texts a thematically and artistically sophisticated work whose veneer of transparency and narrow focus masks a vital inquiry into basic questions of value moderation and sincerity in late medieval culture The volume places Chaucer within several literary contexts developed in separate chapters early humanist bibliophilia translation and the development of the vernacular late medieval compendia of exemplary narratives centred in women's choices written by Boccaccio Machaut Gower and Christine de Pizan and the pervasive late fourteenth century cultural influence of Aristotelian ideas of the mean moderation and value focusing on Oresme's translations of the Ethics into French It concludes with two chapters on the context of Chaucer's continual reconsideration of issues of exchange moderation and fidelity apparent in thematic figurative and semantic connections that link the Legend both to Troilus and Criseyde and to the women of The Canterbury Tales Carolyn Collette is Emeritus Professor of English Language and Literature at Mount Holyoke College and a Research Associate at the Centre for Medieval Studies at the University of York
