Love on the Lifts, 2015 *Love Lifts The Curse* Barbara Cartland, 2013-10-01 Young London man about town Hamish McMurdock bears a grudge against his uncle the Earl of Kilmurdoch because he refused to consider Hamish's money making plan of selling lobsters crabs and salmon from the family estate The refusal is unreasonable but understandable because although a young man the Earl is embittered hating all women after having his heart broken unforgivably Hamish though plans to teach his uncle a lesson by sending an unknowing young woman to the Earl's Highland castle to care for what she believes is a blind and deaf old man Almost destitute after the death of her parents innocent young Jacoba answers Hamish's advertisement Arriving timidly at The Castle in Scotland she is horrified when the Earl flies into a fury and orders her away rudely It is only when she collapses in exhaustion that she is allowed to stay And when the Earl is terribly wounded by poachers she nurses him tenderly back to health All the time love is blossoming in her heart but surely as soon as he recovers from his wounds he will simply send her away

Rosenwein,2021-09-21 We make sense of love with fantasies stories that shape feelings that are otherwise too overwhelming incoherent and wayward to be tamed For love is a complex bewildering and ecstatic emotion covering a welter of different feelings and moral judgments Drawing on poetry fiction letters memoirs and art and with the aid of a rich array of illustrations historian Barbara H Rosenwein explores five of our most enduring fantasies of love like minded union transcendent rapture selfless giving obsessive longing and insatiable desire Each has had a long and tangled history with lasting effects on how we in the West think about love today Yet each leads to a different conclusion about what we should strive for in our relationships If only we could peel back the layers of love and discover its true essence But love doesn't work like that it is constructed on the shards of experience story and feeling shared over time intertwined with other fantasies By understanding the history of how we have loved Rosenwein argues we may better navigate our own tumultuous experiences and perhaps write our own scripts *Love on the Lifts* Kassie Bates,2017-03-16 Jessica Barnes knew the very first time she ever visited Crystal Springs that she'd found the place that would be her forever home Now that she's grown she's made a place for herself within the small town working a job she loves and living the life she's always dreamed of She couldn't be happier Then Anderson Bryant walks into her life and from the moment they meet she knows that everything in her life is about to change The youngest of the three Bryant brothers Anderson returns to Crystal Springs to coordinate a corporate retreat for his family's company at their flagship resort The Bryant Manor He hadn't planned on this latest trip to be much different from the others he's made in the past he'd work and visit old friends and maybe even have a few days to relax before he moves on to the next big event and city But the moment he gets his first look at Jessie he can't shake the feeling that the plans he's made for his life have been irrevocably changed forever **Love Lifted Me** Compiled by Barbour Staff,2014-04-01 The lyrics from James Rowe's beloved hymn Love Lifted Me inspire this encouraging title Overflowing with thoughtful devotions prayers memorable quotations and Bible promises you'll find the blessings encouragement joy and comfort your heart truly desires *The New Kind of Love* E. W. Kenyon,2025-07-15 The two greatest forces in the world today are love and selfishness Natural human love has failed because it is based upon selfishness Does God have a solution for this problem We believe that He has It is The New Kind of Love that has been overlooked by the church but has recently been rediscovered This book unveils the new kind of love that Jesus brought to the world This love comes into a barren life and makes it blossom as a rose It takes away the hardness and bitterness of life There will be no empty lives no barren lives Every life may become a garden of delight God has made it possible To walk in love is actually to live in God It is the realm where the Word dominates where faith functions Faith grows in the atmosphere of love It becomes a dominating and creative force when love really rules This new kind of love agape was born in the realm of divine revelation It is a deep and profound sacrificial love that transcends and persists regardless of circumstances **The Interior** ,1905
