Love Sex And Marriage Through The Ages:

Love, Sex, and Marriage Through the Ages Bernard I. Murstein, 1974 *The Oxford Handbook of Positive Psychology* Shane J. Lopez, C. R. Snyder, 2011-10-13 This book is the definitive text in the field of positive psychology the scientific study of what makes people happy The handbook s international slate of renowned authors summarizes and synthesizes lifetimes of research together illustrating what has worked for people across time and cultures Now in paperback this second edition provides both the current literature in the field and an outlook on its future **Handbook of Marriage and the Family** Suzanne K. Steinmetz, Marvin B. Sussman, 2013-11-11 The lucid straightforward Preface of this Handbook by the two editors and the comprehensive perspectives offered in the Introduction by one of them leave little for a Foreword to add It is therefore limited to two relevant but not intrinsically related points vis a vis research on marriage and the family in the interval since the first Handbook Christensen 1964 appeared namely the impact on this research of the politicization of the New Right and of the Feminist Enlightenment beginning in the mid sixties about the time of the first Handbook In the late 1930s Willard Waller noted Fifty years or more ago about 1890 most people had the greatest respect for the institution called the family and wished to learn nothing whatever about it Everything that concerned the life of men and women and their children was shrouded from the light Today much of that has been changed Gone is the concealment of the way in which life begins gone the irrational sanctity of the home The aura of sentiment which once protected the family from discussion clings to it no more We want to learn as much about it as we can and to understand it as thoroughly as possible for there is a rising recognition in America that vast numbers of its families are sick from internal frustrations and from external buffeting We are engaged in the process of reconstructing our family institutions through criticism and discussion 1938 pp 3 4

Handbook of Human Sexuality Benjamin B. Wolman, 1993 Presents a survey of what is known about sexual disorders and their treatment It covers all the therapeutic approaches to sexual dysfunction psychoanalytic behavioural Masters and Johnson s Helen Kaplan s and the holistic *Women and Romance* Susan Ostrov Weisser, 2001-07 Weisser English Adelphi U writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love In particular she explores the collision of pervasive media images of romance with feminist values of independence and self assertion Several dozen historic and contemporary works of criticism personal essays and letters by feminist and anti feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women Contributors include Jean Jacques Rousseau Charlotte Bronte Karen Horney Simone de Beauvoir Rita Mae Brown bell hooks Vivian Gornick and Carolyn Heilbrun c Book News Inc

Romantic Passion William Jankowiak, William R. Jankowiak, 1997-02-13 Observers from the West the book contends have incorrectly projected rigid ethnocentric notions of love and marriage onto cultures around the world Contributors look beyond each society s official institutions to explore expressions of love offering new perspectives on arranged marriages and

polygamy and reexamining as well the other side of the equation rejection and grief

Handbook of Positive

Psychology C. R. Snyder, Shane J. Lopez, 2001-12-20 The Handbook of Positive Psychology provides a forum for examining the more positive side of the human condition In its pages readers are treated to an analysis of what the foremost experts believe to be the fundamental strengths of humankind It looks at the power and vitality of the human spirit as it faces a multitude of life challenges The Handbook is the first systematic attempt to bring together leading scholars to give voice to the emerging field of positive psychology WorldPerfect Ken Spiro, 2020-08-30 In pursuit of an answer to the question of what would constitute a perfect world author Ken Spiro questioned more than 1 500 people of various backgrounds and religions His findings revealed six core elements Respect for human life peace and harmony justice and equality education family and social responsibility He then set off on a journey to find out why these were such common goals across cultural economic social and racial lines and in the process traced the history of the development of world religions values and ethics As a rabbi he paid particular attention to how Judaism impacted and was influenced by the course of these developments The result is a highly readable and well documented book about the origins of values and virtues in Western civilization as influenced by the Greeks Romans Christians Muslims and most significantly the Jews The history of religion presented in Spiro's highly readable style is a fascinating and timely subject especially in today's volatile religious climate Spiro divides his book into five engaging parts Where the Quality of Mercy Was Not Strained The World of Greece and Rome Against the Grain The Jewish View A Father to Many Nations Abraham and the Implications of Monotheism With Sword and Fire The Rise of Christianity and Islam The New Promised Land Impact of Judaism on Liberal Democracies Readers of all faiths will find that the elements of a perfect world can only be achieved by a common understanding of our mutual backgrounds and that our diverse religions are all merely branches growing from one single tree **Cross-Cultural Perspectives on the**
