Crystal Love Spell This spell will imbue a crystal with a strong aura of passion Carrying this Crystal on your person will make anyone in your vicinity contemplate a potential relationship with you You will need Clear or Rose Quartz Crystal String Red or Pink Cloth Sea Saltwater Sprinkle some sea saltwater onto the crystal to cleanse it of any negative energies as it will need to be clear of any residual energies as you're about to charge it with your own Hold the Crystal in your dominate hand and energetically say the following Magnetism energies bright Power unmatched love Delight Freya's blessings Strong and Right I charge this crystal with blinding light Place the crystal in the middle of cloth and bring the corners together Tie the corners together with the string and keep it on you whenever you want the attention of those around you *The Everything Love Spells Book* Kaile Dutton, Jodi St. Onge, 2007-11-01 Bring love into your life and keep it there with *The Everything Love Spells Book* This pocket guide contains more than 75 spells to help you rev up your romance There's a spell for every lover's lament Can't get over that last love Do the Breaking the Chains Spell and he's gone for good Need to attract that special someone The Enhancement Spell will make anyone irresistible Bored in the bedroom All you need to stoke the flames is the Tantric Lovemaking Spell Whether you're an experienced spellcaster or dabbling in magick for the first time watch love flourish with these and many other spells Nudge that special someone along and add passion and erotic excitement to your existing relationships True love is just a spell away *Love Spells that Work!* Dayanara Blue Star, 2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one's inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the energies needed to gain the love of another There are also spells designed to request the help of the goddess in her many forms should one be able to supplicate to her and prove their cause worthy Included here are a range of love spells of various type and description These have been drawn from ancient traditions the world over and some will appeal to certain kinds of casters while others may seem at odds with their nature You must always remember that casting is done with the heart and soul and that magic exists in the world of spirit so you should only try the magic that speaks to you on a mystical level If you cannot believe a spell will work it most certainly will not Please read the spells in this book and experiment with them responsibly Love is the most powerful force in the universe and it is unwise to use magic to toy with it unjustly Keep your heart pure in your pursuits and let your spirit
