Love Takes You Home A Novel In Thirteen Delicious Meals:

Love Takes You Home Julie CAPALDO,1996 *Love Takes You Home* ,2001 Love Takes You Home Julie Capaldo,1995 Novel telling of the life of Grace Sabato brought up in Australia but whose life is influenced by her Italian heritage When she grows up she travels to Italy to the village where her grandmother Graziella lived and the reason for Graziella s strange and frightening behaviour is revealed An underlying theme is the preparation and eating of meals and recipes and aphorisms on life and cooking are interspersed throughout the book **Literary and Social Diasporas** Gaetano Rando,Gerry Turcotte,2007 This volume seeks to map an understanding of the Italian experience onto the broader picture of diasporic stories though with an anchor in the Australian Italian experience It brings together key essays and testimonials that frame a picture of Italy s rich legacy at home in Europe more widely and in the post colonial sphere with a particular emphasis on the Australian experience The essays collected here focus on the way an Italian Australian story has emerged and evolved in its own unique way In some respects it might be possible to define Australia through this community as an Italian space very much inscribed and described by the many voices that characterise it What is clear throughout these pages is that past present and future circulate through and around each other just as notions of nation colonial postcolonial emigrant and immigrant jostle for purchase in what is in fact a contested space always under negotiation Back cover
