Conscious Love Stevie Carnegie, 2025-09-24

Conscious Love is the Virtue that Can Change the World What if love wasn't just a feeling but a force of transformation Not the fleeting warmth of romance but the steady unwavering power of virtue based love the kind taught by ancient mystics and modern day spiritual leaders alike In Conscious Love Moral Philosopher and award winning Conscious Leadership Ethicist Dr Stevie Carnegie invites you on a soul deep exploration of love not as emotion but as conscious ethical action Drawing on timeless wisdom from Aristotle to the Dalai Lama Stevie unveils three umbrella forms of love Emotional Spiritual and Virtue based Conscious Love and reveals why only one can truly change our world This isn't a book about falling in love It's a book about rising in love love that is felt and lived Love that reaches beyond the personal to the planetary Love that becomes your leadership Your legacy Your compass If you've ever wished for a more loving world this is your call to become part of it Because Conscious Love isn't a dream It's a choice And the time is now Living a conscious loving life is the same as living an ethical life and it may be the most revolutionary act you'll ever commit So whether you want to see a more loving world or a more ethical world or a more conscious world it's all about working together to develop a global consciousness of conscious love in action
