This is a definitive study of films that have been built around the themes of love death and the afterlife films about lovers who meet again and love again in heaven via reincarnation or through other kinds of after death encounters Far more than books about mere ghosts in the movies or religion in movies *Love in the Afterlife* presents a complex but highly distinctive and unique pattern the love death afterlife pattern as it was handed down by the ancient Egyptians and Greeks in the Isis and Orpheus myths for example developed by Freud and his followers in the duality of Eros and Thanatos and then featured in popular movies from the 1920s to the recent past Among its other qualities *Love in the Afterlife* may encourage readers to look at movies differently and reflect upon the possibility that other patterns in cinema may have gone undetected for years Furthermore this book will show how the love death afterlife theme found its way into all sorts of different film types melodramas comedies war films horror films film noir and other genres The book will be well illustrated and quotations from film reviews will enliven its pages A long appendix gives production data on almost sixty individual films **When Love's in View** Dr. Conway Edwards, Jada Edwards, 2008-01-01 Dr Conway Edwards the singles pastor at Oak Cliff Bible Church in Texas along with his wife Jada writes from the heart to Christian singles about the best way to prepare for marriage Discussing courtship and dating from a biblical perspective they also share their personal story including the mistakes they made along the way The result is a thought provoking encouraging manual on making the most of your single years and getting yourself ready for marriage This hard hitting manual is both warm and honest as the Edwards share their stories of singleness and marriage as well as unearth many gems found in God's Word regarding relationships and the importance of personal spiritual maturity Treasures include Definition of a R E A L man Six behaviors of a godly man How women S E R V E as a helpmate Eight behaviors of a godly woman Seven biblical truths regarding relationships and marriage Using F A I T H to identify lasting qualities in a mate Seven point character inspection Frequently Asked Questions regarding Christian dating and relationships Forbidden Love in St. Petersburg Mishka Ben-David, 2016-05-17 Convincing tradecraft coupled with a plausible look at the inner life of a spy with a license to kill will remind readers of the best of John le Carr Publishers Weekly starred review Yogev Ben Ari has been sent to St Petersburg by the Mossad ostensibly to network and set up business connections His life is solitary ordered and lonely until he meets Anna Neither is quite what they seem to be but while her identity may be mysterious there is no doubt about the love they feel for each other But the impassioned affair is not part of the Mossad plan The agency must hatch a dark scheme to drive the lovers apart Soon what began as a quiet solitary mission becomes a perilous exercise in survival and Ben Ari has no time to discover the truth about Anna's identity before his employers act The novel has a solid sense of intrigue and suspense and its depiction of the world of international

espionage feels accurate as it should since the author is a former Mossad agent The characterizations are precise too these aren't stick figures in a spy story but real people in a real environment A nice blend of classic spy novel conventions with a thoroughly contemporary setting Booklist starred review **Love in the Western World** Denis De Rougemont, 1983-08-21 In this classic work often described as *The History of the Rise Decline and Fall of the Love Affair* Denis de Rougemont explores the psychology of love from the legend of Tristan and Isolde to Hollywood At the heart of his ever relevant inquiry is the inescapable conflict in the West between marriage and passion the first associated with social and religious responsibility and the second with anarchic unappeasable love as celebrated by the troubadours of medieval Provence These early poets according to de Rougemont spoke the words of an Eros centered theology and it was through this heresy that a European vocabulary of mysticism flourished and that Western literature took on a new direction Bringing together historical religious philosophical and cultural dimensions the author traces the evolution of Western romantic love from its literary beginnings as an awe inspiring secret to its commercialization in the cinema He seeks to restore the myth of love to its original integrity and concludes with a philosophical perspective on modern marriage **Young Love in Memphis 2** B.
