Love In The Sun:

Love in the Midnight Sun Debbie Macomber, Heather Graham, Karen Harper, 2018-11-12 Three thrilling stories of love an adventure in Alaska together in one value box set The Snow Bride by Debbie Macomber Jenna Campbell is headed to Alaska to marry a man she met on the internet But on the flight to Fairbanks she meets Reid Jamison who s not impressed with her plan Reid decides to change Jenna s destination and so she finds herself at his cabin in tiny Snowbound It s a one woman town and that woman s out of town That leaves Reid a bunch of eccentric old men a few grizzly bears and Jenna Looks as though she may be a Christmas bride after all Deadly Fate by Heather Graham Clara Avery an entertainer working on Alaskan cruise ship the Fate stumbles upon a scene of mayhem on Bear Island Thor Erikson has been sent from the Krewe of Hunters to investigate several murders the prime suspect for which is an escaped serial killer Thor once put behind bars Clara and Thor s shared unusual talent the ability to communicate with the dead brings them together to solve the case and prevent a deadly fate of their own Down River by Karen Harper Attending a corporate retreat at a remote resort in Alaska Lisa Vaughn is plunged into the frigid rapids of the Wild River and swept away Lodge owner Mitch Braxton figures something is terribly wrong and embarks on a heroic search that takes him miles downriver Far from civilization the former lovers must put aside their hurt feelings and find the will to survive against nature There s a killer on the loose and for now they must measure their future together in days rather than years **Love in the 21st Century** E J Murdock, 2009-02-04 Alison Kennedy loves her job so much her world revolves around her career One day she meets Daniel Scott through a mutual friend at a party She adores him until she finds out he has betrayed her with his boss They break up and she turns to her two best friends who join her on a vacation to Ibiza When they arrive in Ibiza she discovers more betrayal She returns home early where she develops a close relationship with her boss She is finally moving on with life when Daniel comes back into her life all her old feelings for him come flooding back What will she do when she finds out he is engaged Will she ever really get to grips with love in the 21st century Making Love in the Twelfth Century , 2016-04-29 New sparkling translations of the Letters of Two Lovers the Tegernese Letters and selections from the Regensburg Songs Nine hundred years ago in Paris a teacher and his brilliant female student fell in love and chronicled their affair in a passionate correspondence Their 116 surviving letters some whole and some fragmentary are composed in eloquent highly rhetorical Latin Since their discovery in the late twentieth century the Letters of Two Lovers have aroused much attention because of their extreme rarity They constitute the longest correspondence by far between any two persons from the entire Middle Ages and they are private rather than institutional which means that according to all we know about the transmission of medieval letters they should not have survived at all Adding to their mystery the letters are copied anonymously in a single late fifteenth century manuscript although their style and range of reference place them squarely in the early twelfth century Can this collection of correspondence be the previously lost love letters of Abelard and Heloise And even if not what does it tell us about the lived

experience of love in the twelfth century Barbara Newman contends that these teacher student exchanges bear witness to a culture that linked Latin pedagogy with the practice of ennobling love and the cult of friendship during a relatively brief period when women played an active part in that world Newman presents a new translation of these extraordinary letters along with a full commentary and two extended essays that parse their literary and intellectual contexts and chart the course of the doomed affair Included too are two other sets of twelfth century love epistles the Tegernsee Letters and selections from the Regensburg Songs Taken together they constitute a stunning contribution to the study of the history of emotions by one of our most prominent medievalists
