ROME 2038 The Fractured Empire Sherridean Abddeen, 2025-11-14 In the year 2038 Earth is not what it once was Thirty years earlier a violent solar event thickened the atmosphere and weakened the planet's natural shields Humanity adapted through technology protective silicon based bodysuits dome like environmental shields and an ultra strict global government known as the Council of Leaders Time travel exists but only in theory Any attempts to manipulate time resulted in catastrophic paradoxes historical fractures and near timeline collapses Therefore time travel was outlawed worldwide except for a single regulated division the Time Containment Bureau TCB supported by the forbidden but necessary AI Temporal Core powered by a nearby nuclear reactor A small forgotten off grid town of 16 000 sits between the nuclear plant and the AI facility Its people know the risks but no one listens Until one night an unexplained power surge detonates the reactor overloading the AI Temporal Core and tearing a hole through time itself The town vanishes instantly The land fractures People freeze mid motion disappear or collapse into temporal grids The TCB arrives in hovering containment vehicles deploying drones broadcasting emergency stabilization orders Remain where you are Do not move This sector is under temporal quarantine But the anomaly is far worse than anyone expected The entire ancient Roman Empire around the year 76 AD has been dragged into the year 2038 fully intact Land buildings oceans temples roads even the Colosseum all merged violently with modern geography In the chaos a future police glider car rips across a Roman chariot arena causing

mass panic Romans call it sorcery Priests call it divine punishment The Roman military mobilizes instantly believing Rome is under attack Meanwhile future scientists are terrified for a different reason Ancient Rome is full of pathogens long extinct If even one spreads millions could die TCB deploys containment barriers trying to prevent contact But the Romans misinterpret their presence as invasion Clashes erupt Ancient warriors in armor face off against future officers in exo suits Both sides suffer losses And then the most shocking discovery Romans are immune to the atmosphere Future humans are not Their DNA is more stable unaltered by centuries of evolution and adaptation What kills modern humans does nothing to ancient ones While governments panic two people meet who should never have met Elara Voss a future containment officer Brilliant Determined Protective A leader in training She believes Rome is not the enemy only lost afraid and displaced Cassian Aurelius a Roman military commander Disciplined Honorable Fiercely loyal to Rome He sees Elara as the only person not treating his people like animals Their bond grows under impossible circumstances Respect turns to trust Trust turns to love But the Council forbids contact Rome forbids mingling with the people of the sky Meanwhile the TCB uncovers horrifying evidence The explosion wasn't an accident It was sabotage A rogue faction of illegal time jumpers the Fracture Sect hacked the AI Temporal Core attempting to break time open for their own agenda They miscalculated and Rome was dragged into the future The saboteurs are captured and executed But the damage cannot be undone For months Rome and 2038 struggle to coexist economic chaos religious panic political collapse military stand offs cultural confusion scientific breakthroughs media hysteria But eventually scientists discover a solution The fracture can be reversed but only by sending Rome BACK Not individuals Not buildings The entire civilization However a chilling warning emerges If Rome doesn't return the timeline will permanently destabilize erasing BOTH worlds Rome must go back Cassian must return Elara must stay behind But they have a secret neither world knows Elara is pregnant with Cassian's child a child that should not exist a child who belongs to two timelines Their farewell is devastating Rome is returned successfully The fracture heals But the story is not over Years later Elara's child begins to question who they are Where they came from Why they feel drawn to a history they never lived And in the final scene The child discovers restricted files showing the original Rome event and begins locating the coordinates of the temporal breach The cycle may repeat but in reverse The saga continues

Rising in Love Ram Das Batchelder, 2014-12-12 Rising in Love tells the story of the author's extraordinary spiritual awakening in America which included meeting an angel his discovery of Amma the living Guru known in the West as the Hugging Saint and the 27 amazing years he has spent in quest of Enlightenment as Amma's devotee most of that time in India The book is a multi faceted diamond It is a suspenseful psychological thriller a page turner from the outset yet there also much humor in the narrative and at times reads like a comedic novel From another angle it is a story of profound healing from delusion drug addiction and despair into a joyous and beautifully fulfilled life and as such it is a ray of hope for all who suffer from addiction or mental illness of one kind or another

The Wild Ride of the Nineties: The Pursuit of Happiness, Freedom, and Identity Pasquale De Marco, 2025-04-14 Journey back to the tumultuous and transformative decade of the 1990s with this captivating exploration of a time that indelibly shaped our world. From the fall of the Berlin Wall to the rise of the internet, from grunge music to the dot-com boom, this book delves into the cultural, political, social, and technological shifts that redefined the global landscape. Through a vivid narrative that blends meticulous research with personal anecdotes, the author takes readers on a journey through the key events and trends that characterized the 1990s. Revisit the iconic moments that continue to resonate today, from the collapse of the Soviet Union to the impeachment of Bill Clinton, from the Rwandan genocide to the rise of Nelson Mandela. But this book is more than just a historical chronicle; it is an exploration of the human experience during a time of unprecedented change. Through the eyes of ordinary people who lived through the decade, readers will gain a deeper understanding of the challenges and triumphs that defined the era. From the struggles of everyday life to the pursuit of happiness and freedom, this book captures the essence of what it meant to be alive in the 1990s. With its rich tapestry of stories, thought-provoking insights, and evocative imagery, this book offers a fresh perspective on a decade that continues to fascinate and intrigue. Whether you were a child of the 1990s or are simply curious about this pivotal era, this book is an essential read that will transport you back in time and leave you with a renewed understanding of the world we live in today. Immerse yourself in the vibrant and chaotic world of the 1990s and gain a deeper appreciation for the forces that have shaped our world. This book is a must-read for anyone interested in history, culture, or the human experience. If you like this book, write a review on Google Books.

Wild Ride Chantal Fernando, 2016-07-11 Internationally bestselling author Chantal Fernando brings fans another sexy motorcycle novella in the Wind Dragons MC series as rival club president Talon has to decide what's more dangerous: facing down the WDMC or losing his heart to a woman under their protection. Talon has a complicated relationship with the Wind Dragons Motorcycle Club. He's the president of their rival club, the Wild Men, but he's also related to one of their members who hates him. He could handle that, but he's also got problems in his own club: someone is leaking information and disrupting their business, but Talon can't find the mole. So the last thing he needs is even more complication in the form of a beautiful single mother who's bolder than half the bikers on his squad. But he can't take his eyes or his hands off her. Tia's always been a little reckless, up for a good time wherever she found it, but she's also a great mom to her young son. So even though she thinks Talon is basically sex on a stick, when she realizes she wants to be more to him than just a club groupie, she has to take things a bit slow. Plus, a momentary attraction, no matter how smoking hot, isn't worth risking her son's happiness in any way. Is there any chance that Talon might be up for a more permanent arrangement? Or has
