

A STORY OF *Love & Loyalty*

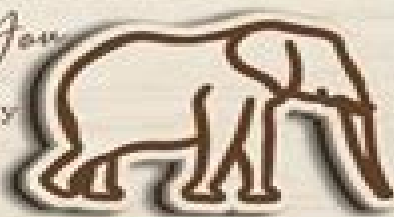

In the wild, female elephants are known as fierce protectors. When one of their sisters is suffering, they circle up around her. They close in tight, watch guard, and even kick dust around her to mask her vulnerable scent from predators.

We are the same. This is who we are, and who we are meant to be for each other.

Sometimes we're the ones in the middle. Sometimes we're the ones kicking up dust with fierce, fierce love. But the circle remains.

Thank You

for being my
elephant.
