Arrow's Wind Gina Manis,2020-11-17 For five years I have let my haunted past keep me in the shadows of the city but that ends today Today I am leaving and striking out on my own to build a new life for myself in the peace of the mountains I am going it alone until I discover that Arrow my brother s friend has followed me Arrow knows of my past and he has never stepped over the boundaries I have set with men so I let him join me Yet the nightmares from my past never go away They continuously feed my fears of getting close to any man including Arrow On our journey we stumble across the path of the Dream Walker With his whispers I give in to his charms hoping they will heal me Night after night he visits taking my nightmares away and I find myself falling in love with him But he isn t real Arrow however is real He has always stood by me and although he pushes me at times no man has ever made me feel so safe I want to give in to love and a future I never saw for myself To do so I will have to face my past once and for all Warning This book deals with the challenges a woman may face after an attack by rape There is a brief reflection of the act that is shown in a dream state This story was written in the

Shadi Bartsch,2017-07-21 People in the ancient world thought of vision as both an ethical tool and a tactile sense akin to touch Gazing upon someone or oneself was treated as a path to philosophical self knowledge but the question of tactility introduced an erotic element as well In The Mirror of the Self Shadi Bartsch asserts that these links among vision sexuality and self knowledge are key to the classical understanding of the self Weaving together literary theory philosophy and social history Bartsch traces this complex notion of self from Plato s Greece to Seneca s Rome She starts by showing how ancient authors envisioned the mirror as both a tool for ethical self improvement and paradoxically a sign of erotic self indulgence Her reading of the Phaedrus for example demonstrates that the mirroring gaze in Plato because of its sexual possibilities could not be adopted by Roman philosophers and their students Bartsch goes on to examine the Roman treatment of the ethical and sexual gaze and she traces how self knowledge the philosopher s body and the performance of virtue all played a role in shaping the Roman understanding of the nature of selfhood Culminating in a profoundly original reading of Medea The Mirror of the Self illustrates how Seneca in his Stoic quest for self knowledge embodies the Roman view marking a new point in human thought about self perception Bartsch leads readers on a journey that unveils divided selves moral hypocrisy and lustful Stoics and offers fresh insights about seminal works At once sexy and philosophical The Mirror of the Self will be required reading for classicists philosophers and anthropologists alike
