Love Profit The Art Of Caring Leadership:

Love and Profit James A. Autry, 1992-09-01 In business it is no longer necessary to sacrifice integrity and peace of mind in favor of profits Successful Fortune 500 executive James A Autry effectively explodes the myth that nice guys finish last in what is perhaps the most practical honest and humane management book ever written an indispensable handbook that explores every aspect of the fine art of creative and caring leadership A unique primer for business in the 90s Love and Profit offers clear direct and compassionate guidance dealing situation by situation with the most difficult decisions every manager must inevitably face from motivating high achievers to letting nonproductive employees go A rare and innovative work it will enable you to manage brilliantly and profitably during the day and sleep well at night Rethinking Leadership Kurt A. April, Robert Macdonald, Sylvia Vriesendorp, 2000 In the twenty first century leaders are having to speak a new language create fluid organic structures and recognise organisations as systems with self renewing capacity This book explores what real leadership means encouraging the reader to look within **The Rotarian**, 1994-11 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine Biblical Principles of Leading and Managing Employees Bruce E. Winston, 2018-05-17 This book examines the scriptural concepts that apply to leading and managing people It begins with a chapter that contrasts leaders managers and administrators and the roles they each play The book then presents the seven virtues from the Beatitudes and how these virtues result in leaders and managers behaviors The book then reviews the 15 characteristics of what love is and what love is not from the 1 Corinthians 12 passage The book presents the four modalities of leaders as conveyed in the Ezekiel 1 and 10 chapters as well as Revelations 4 where Ezekiel and John describe the four faces of the winged beings The modalities are described in terms of contemporary leaders interacting with employees in the workplace A chapter follows based on the Parable of the Vineyard and how leaders should provide a minimum living wage The book then compares the wife in Proverbs 31 to a good leader manager in today s contemporary organization The book ends with an admonition from Ecclesiastes 3 1 about the need for leaders managers to step away and not meddle when the leader manager s role is finished Throughout the book composite case examples provide practical application of the concepts to contemporary organizations *Person-Centered Leadership* Jeanne M. Plas, 1996-04-11 Why hasn t Total Quality Management TQM worked as well in the United States as it has in other countries In the US employees seem to prefer recognition of individual achievement over recognition of the work team Could the North American cultural emphasis on the individual be a crucial factor This book demonstrates that the recent participatory management failures are the result of a lack of appreciation for the cultural role of rugged individualism and offers an alternative person centred leadership which puts the individual at the very centre of the management approach The author presents effective psychology based person

centred management techniques through the use of examples and cases many of them drawn from *Credibility* James M. Kouzes, Barry Z. Posner, 2011-08-02 The first true revision of the classic book from the bestselling author of *The Leadership Challenge* As the world falls deeper into economic downturns and warfare the question of credibility how leaders gain and lose it is more important than ever Building on their research from *The Leadership Challenge* James Kouzes and Barry Posner explore in *Credibility* why leadership is above all a relationship with credibility as the cornerstone and why leaders must Say what you mean and mean what you say This first full revision of the book since its initial publication in 1993 features new case studies from around the world fully updated data and research and a streamlined format Written by the premier leadership experts working today *Credibility* Reveals the six key disciplines that strengthen a leader's capacity for developing and sustaining credibility Provides rich examples of real managers in action Includes updates to the applications and research This personal inspiring and genuine guide helps you understand the fundamental importance of credibility for building personal and organizational success
