**By Women Possessed** Arthur Gelb, Barbara Gelb, 2016-11-01 Celebrated for their books on Eugene O'Neill and enjoying access to a trove of previously sealed archival material the Gelbs deliver their final volume on the stormy life and brilliant oeuvre of this Nobel Prize winning American playwright This is a tour through both a magical moment in American theater and the troubled life of a genius Not a peep show or a celebrity gossip fest this book is a brilliant investigation of the emotional knots that ensnared one of our most important playwrights Handsome charming when he wanted to be O'Neill was the flame women were drawn to all that is except his mother who never let him forget he was unwanted By Women Possessed follows O'Neill through his great successes the failures he was able to shrug off and the long eclipse a twelve year period in which despite the Nobel nothing he wrote was produced But ahead lay his greatest achievements The Iceman Cometh and Long Day's Journey into Night Both were ahead of their time and both received lukewarm receptions It wasn't until after his death that his widow the keeper of the flame began a fierce and successful campaign to restore his reputation The result is that today just over 125 years after his birth O'Neill is a towering presence in the theater his work always in performance here and abroad still electrifying audiences Perhaps of equal importance he is the acknowledged father of modern American theater the man who paved the way for the likes of Arthur Miller Tennessee Williams Edward Albee and a host of others But as Williams has said at a cost O'Neill gave birth to the American theater and died for it

"Something Dreadful and Grand" Stephen Watt, 2015-07-01 Elaborate analogies between Irish and Jewish history between Irish and Jewish subjectivities occur with surprising frequency throughout American literature They recall James Joyce's Leopold Bloom and episodes of Ulysses Douglas Hyde's analogies during the Celtic Revival between learning Hebrew and learning Irish and a myriad of claims of an unusual relationship between these peoples that goes beyond comparisons of their respective diasporic histories But how does one describe this uncanny relationship one often marked by hostility affinity and ambivalence without essentializing people whose origins class affiliation educations life experiences and so on are enormously different Something Dreadful and Grand American Literature and the Irish Jewish Unconscious describes a complex allo-Semitism and allo-Hibernianism through a variety of cultural texts with which immigrant Irish and Jewish Americans were most engaged popular music of the Tin Pan Alley era tenement literature from Anzia

Yeziarska and James T Farrell through the posthumous publication of Henry Roth's *An American Type* and proletarian and socialist inflected drama by Elmer Rice Clifford Odets Eugene O'Neill and Arthur Miller as they engaged the Irish drama of such writers as Bernard Shaw and Sean O'Casey. In an effort to trace both the genealogy and more recent trajectory of immigrant drama and fiction chapters explore both the post-Famine melodramatic stage of the nineteenth century and a host of more contemporary texts from newer generations of immigrants. Throughout the book argues for a circum-North Atlantic culture in which texts from Ireland Britain Irish America and Jewish America contribute substantially to both a modern American literature and to understandings of the terms Irish and Jewish. How can we really know what these terms mean as they delimit or erase totally the differences inherent to them. Borrowing a term from psychoanalytic and political theory *Something Dreadful and Grand* explores the larger dimensions of this Irish Jewish unconscious underlying cultural production in America arguing for the centrality of these two diasporic groups to the development of American popular music fiction and especially drama.

Susan Glaspell Linda Ben-Zvi, 2005-04-28 *Trifles* a play exploring what happens when women unite against forces that deny them a voice and identity has become an international classic as powerful and relevant today as it was in the summer of 1916 when it was first staged by vacationing friends in a converted fishing wharf in Provincetown Massachusetts. This biography is the story of its author Susan Glaspell and the forces that propelled her from her Midwest birthplace in Davenport Iowa to Greenwich Village during its glory days where she established herself as a central figure in the avant-garde community and became the first modern American woman playwright. Glaspell's life is a feminist tale of pioneering in which she broke new ground for women. A journalist by age eighteen she worked her way through university as a news reporter and became a leading novelist of the period. A co-founder of many of Greenwich Village's important avant-garde institutions she was a close friend of its leading figures including Eugene O'Neill. She and O'Neill were equally credited with launching a new type of indigenous drama hers addressing such pressing topics as suffrage birth control female sexuality marriage equality socialism and pacifism. In 1931 she won the Pulitzer Prize for drama *Out there lies all that's not been touched lies life that waits*. Claire Archer says in *The Verge* Glaspell's most experimental play. This biography is the exciting and inspiring story of Glaspell's personal exploration of the same terrain.
