A Hobby of Murder E. X. Ferrars, 2023-09-12 In this classic cozy mystery a retired botany professor visits an English country manor house where a dinner party turns into a hunt for a killer The irresistible Andrew Basnett series may have been written in the 1980s and 90s but its soul lies with the classic crime fiction of the 1930s Here for example is *A Hobby of Murder* with its setting at wait for it a classic country house party that staple of the Golden Age Rounding out the guest list are among others a mystery writer a lawyer with a reason to dislike him a doctor a retired teacher with a passion for photography and the lord of the local manor keen amateur chef Sam Waldron so keen that he has recreated an 18th century dinner His skills may not match his ambition but he didn't mean to poison the coffee Oh no The local police inspector isn't so sure but in the finest Golden Age tradition he's rather an idiot so when the bodies start piling up it's a good thing that Basnett is on hand to sort things out

Getting Rich by Magic Simone Janson, 2025-05-07 Also in the 7th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because earning money virtually on the side without having to do much for it is the old dream of many people But what at first sight sounds like a beautiful illusion can become quite true Passive income is the magic word after all only those who let their money work for them can become real But unfortunately very few people are really familiar with the subject of investing money and there are as many opinions about the right financial planning as there are experts So if you want to earn money on the side you would do well not to lose track in the jungle of financial products between stock trading with single stocks ETF and index funds gold real estate etc Therefore it makes sense to take a closer look at one's own asset planning after all savings and thus the retirement provisions that are important for retirement are only destroyed by inflation With its integrated knowledge system and Info on Demand concept the publisher not only participated in an EU funded program but was also awarded the Global Business Award as Publisher of the Year Therefore by purchasing this book you are also doing good The publisher is financially and personally involved in socially relevant projects such as tree planting campaigns the establishment of scholarships sustainable innovations and many other ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert

knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported data analysis which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services free of charge available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher and editor Simone Janson is also a bestselling author and one of the 10 most important German bloggers according to the Blogger Relevance Index Additionally she has been a columnist and author for renowned media such as WELT Wirtschaftswoche and ZEIT you can learn more about her on Wikipedia [The Rotarian](#) ,1935-02 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine **Magic of Japan** Hector Garcia,2021-08-31 A charming collection of quirky insights into Japanese culture The Magic of Japan is writer Hector Garcia's intensely personal account of his fifteen years in Japan A self-professed otaku or Japanese anime geek since childhood Garcia has worked for a Japanese software company mastered the language and become one of Japan's most popular bloggers This book is the culmination of his experiences and showcases Garcia's unique ability to delve beneath the surface of Japanese culture to describe its quirky and deep spiritual underpinnings This collection of essays and beautiful photographs will appeal to his worldwide fan base including those who devoured his previous bestsellers A Geek in Japan and Ikigai The Japanese Secret to a Long and Happy Life Japanophiles armchair travelers and anyone with an interest in cultural and travel memoirs The Magic of Japan features Garcia's keen observations on a wide variety of cultural topics Japanese behavioral traits including non-verbal communication hansei self-reflection heijoshin a calm mind and shoshin childlike openness How Japan's geography and history have shaped its culture its natural disasters scarce resources centuries of isolation and its feudal past Japanese idiosyncrasies ranging from food traditions and absurd jobs to a love of queues The Japanese spirit as evidenced in traditional art manga and attitudes to women Shintoism and Buddhism looking at temples festivals rituals and how religious beliefs pervade popular culture as seen for example in Studio Ghibli's movie Spirited Away Japan's dark side including crime the yakuza adultery bullying and suicide The book ends with a gloriously random selection

of all things Garcia considers especially magical about Japan from izakaya to shiitake mushrooms summer fireworks and green tea
