The Magic Goose Daniel Manus Pinkwater,1997-10-01 The adventure of a goose named Seymour who goes in search of magic **FF Communications** ,1928 **Index to Short Stories** Grace Emily Salisbury,Marie Everett Beckwith,1907 [Ancient Fairy and Folk Tales](#) Graham Anderson,2019-12-05 This anthology explores the multitude of evidence for recognisable fairy tales drawn from sources in the much older cultures of the ancient world appearing much earlier than the 17th century where awareness of most fairy tales tends to begin It presents versions of Cinderella The Emperor s New Clothes Snow White The Frog Prince and a host of others where the similarities to familiar modern versions far outweigh the differences Here we find Cinderella as a courtesan Snow White coming to a tragic end or an innocent heroine murdering her sisters We find an emperor s new clothes where the flatterers compare him to Alexander the Great or a pair of adulterers caught in a magic trap Tantalising fragments suggest that there is more to be discovered we can point to a Sleeping Beauty where the girl takes on the green colouring of the surrounding wood or we encounter a Rumpelstiltskin connected to a mystery cult The overall picture

suggests a much richer texture of popular tale as a fascinating new legacy of antiquity This volume breaks down the traditional barriers between Classical Mythology and the fairy tale and will be an invaluable resource for anyone working on the history of fairy tales and folklore **Children of the Halo** EJ Spurrell,2012-12-01 It s been a thousand years since the Pact was forged with the blood of heroes uniting the five tribes and pushing the shadows back into the darkness Since that time peace has reigned in former Eventide But now dark shadows working behind the scenes for centuries have corrupted the once pure High Magus Council the overseers of the Pact and enforcers of its laws twisting the justice it once stood for into a gross parody of greed and control But an ancient secret prophecy speaks of a lost people People ignorant to the ways of magick and steel but masters of a new kind of magick The magick of crafts and machines of information and tecknowledge It is said they will emerge from a halo of dark light and bring with them a city of wonders Life tends to slow to a crawl in Dunsmith British Columbia The small Vancouver Island town is nothing more than a crossroads But when a strange event occurs and leaves the entire town stranded knee deep in the Disputed Lands they find they must band together as they face trials they were unprepared for Invading armies magick elementals and even the local economy have to be taken into consideration But how well can a small town of eight thousand hold back the furies of the Pactlands **The National Humane Review** ,1927 *New English Pal, Class 9* P. Lucy Russell Centerstage Stephen Thompson, **Magical Moments with Canada Geese** C. Forester Seely, 2008-03 This is mainly a detailed account of the author's experience in observing the habits and eccentricities of wild Canada geese It evolved from just observing them in his boyhood as they flew by to actually raising them from the time they were born caring for them feeding them taking pictures of them and just hanging out with them for hours especially after his retirement from his job as a Canada immigration officer stationed at the border between Houlton Maine and Woodstock New Brunswick Canada In passing he also described in exultant terms his other loves Mt Katahdin in Millinocket Maine his house Lovelight which was built and developed solely with his specifications and under his supervision on eleven acres of land the Mountain View Plantation
