Magic Lands Western Cityscapes And American Culture After 1940

Adam Rome

Magic Lands Western Cityscapes And American Culture After 1940:

Magic Lands John M. Findlay, 1993-09-22 The American West conjures up images of pastoral tranquility and wide open spaces but by 1970 the Far West was the most urbanized section of the country Exploring four intriguing cityscapes Disneyland Stanford Industrial Park Sun City and the 1962 Seattle World's Fair John Findlay shows how each created a sense of cohesion and sustained people's belief in their superior urban environment This first book length study of the urban West after 1940 argues that Westerners deliberately tried to build cities that differed radically from their eastern counterparts In 1954 Walt Disney began building the world's first theme park using Hollywood's movie making techniques The creators of Stanford Industrial Park were more hesitant in their approach to a conceptually organized environment but by the mid 1960s the Park was the nation's prototypical research park and the intellectual downtown for the high technology region that became Silicon Valley In 1960 on the outskirts of Phoenix Del E Webb built Sun City the largest most influential retirement community in the United States Another innovative cityscape arose from the 1962 Seattle World's Fair and provided a futuristic somewhat fanciful vision of modern life These four became magic lands that provided an antidote to the apparent chaos of their respective urban milieus Exemplars of a new lifestyle they are landmarks on the changing cultural landscape of postwar America

Global America, 1915-2000 D. W. Meinig, 2006-09-01 This landmark book the concluding volume in a magisterial series presents the story of America's interwoven history and geography from 1915 to 2000 Discussing such developments as the automotive neotechnic and communications revolutions the world wars urban migration and regionalism D W Meinig offers unprecedented insights into the reshaping of the United States Meinig at his best he presents a masterly synthesis of the cultural complexity of America a compelling account of the dramatic but immensely complicated restructuring of its human geography during the twentieth century Graeme Wynn *Journal of Historical Geography* This work will shape the way many people view the United States for a long time to come Essential Choice This splendid work concludes the most ambitious writing project of any American geographer ever Global America meets and even exceeds the high standards set by the previous three volumes John C Hudson Northwestern University

Foundations Sam Wetherell, 2023-01-31 Revision of the author's thesis doctoral University of California Berkeley 2016 under the title Pilot zones the new urban environment of twentieth century Britain

The Way to the West Elliott West, 1995-10 Elegantly assembles the environmental social cultural political and economic history of the Great Plains in the 19th century

How Cities Won the West Carl Abbott, 2011-03-03 Cities rather than individual pioneers have been the driving force in the settlement and economic development of the western half of North America Throughout the seventeenth eighteenth and nineteenth centuries western urban centers served as starting points for conquest and settlement As these frontier cities matured into metropolitan centers they grew from imitators of eastern culture and outposts of eastern capital into independent sources of economic cultural and intellectual change From the Gulf of Alaska to the Mississippi River and from

the binational metropolis of San Diego Tijuana to the Prairie Province capitals of Canada Carl Abbott explores the complex urban history of western Canada and the United States The evolution of western cities from stations for exploration and military occupation to contemporary entry points for migration and components of a global economy reminds us that it is cities that won the West And today as cultural change increasingly moves from west to east Abbott argues that the urban West represents a new center from which emerging patterns of behavior and changing customs will help to shape North America in the twenty first century

Something in the Soil Patricia Nelson Limerick,2001 Patricia Limerick is simply one of the best writers alive Garry Wills

Pastoral Capitalism Louise A. Mazingo,2016-05-27 How business appropriated the pastoral landscape as seen in the corporate campus the corporate estate and the office park By the end of the twentieth century America s suburbs contained more office space than its central cities Many of these corporate workplaces were surrounded somewhat incongruously by verdant vistas of broad lawns and leafy trees In Pastoral Capitalism Louise Mazingo describes the evolution of these central but often ignored features of postwar urbanism in the context of the modern capitalist enterprise These new suburban corporate landscapes emerged from a historical moment when corporations reconceived their management structures the city decentralized and dispersed into low density auto dependent peripheries and the pastoral in the form of leafy residential suburbs triumphed as an American ideal Greenness writes Mazingo was associated with goodness and pastoral capitalism appropriated the suburb s aesthetics and moral code Like the lawn proud suburban homeowner corporations understood a pastoral landscape s capacity to communicate identity status and right mindedness Mazingo distinguishes among three forms of corporate landscapes the corporate campus the corporate estate and the office park and examines suburban corporate landscapes built and inhabited by such companies as Bell Labs General Motors Deere Company and Microsoft She also considers the globalization of pastoral capitalism in Europe and the developing world including Singapore India and China Mazingo argues that even as it is proliferating pastoral capitalism needs redesign as do many of our metropolitan forms for pressing social cultural political and environmental reasons Future transformations are impossible however unless we understand the past Pastoral Capitalism offers an indispensable chapter in urban history examining not only the design of corporate landscapes but also the economic social and cultural models that determined their form

Seattle and the Roots of Urban Sustainability Jeffrey Craig Sanders,2010-08-29 Seattle often called the Emerald City did not achieve its green clean and sustainable environment easily This thriving ecotopia is the byproduct of continuing efforts by residents businesses and civic leaders alike In Seattle and the Roots of Urban Sustainability Jeffrey Craig Sanders examines the rise of environmental activism in Seattle amidst the urban crisis of the 1960s and its aftermath Like much activism during this period the environmental movement began at the grassroots level in local neighborhoods over local issues Sanders links the rise of local environmentalism to larger movements for economic racial and gender equality and to a counterculture that changed the social and political landscape He examines emblematic

battles that erupted over the planned demolition of Pike Place Market a local landmark and environmental organizing in the Central District during the War on Poverty Sanders also relates the story of Fort Lawton a decommissioned army base where Audubon Society members and Native American activists feuded over future land use The rise and popularity of environmental consciousness among Seattle s residents came to influence everything from industry to politics planning and global environmental movements Yet as Sanders reveals it was in the small local struggles that urban environmental activism began

King Tiger Rudy V. Busto,2006-01-31 Right now we look like a cricket What is a cricket King of the Insects a little tiny animal All the cricket can do is say cricket cricket cricket Just a noise that s all But you know if that cricket gets in the ear of the lion and scratches inside there is nothing the lion can do There is nothing there is no way the lion can use his claws and jaws to destroy the cricket The more the lion scratches himself the deeper the cricket goes Reies L pez Tijerina 1971 Throughout his career in New Mexican land grant politics Reies Tijerina frequently used this fable to inspire persistence in the face of impossible odds As the leader of a grassroots Hispano land rights organization the Alianza Federal de Mercedes Reales The Federal Alliance of Land Grants Tijerina has made an indelible imprint on New Mexico s Hispano culture King Tiger details Tijerina s life and efforts those real rumored and mythologized in the first systematic study of the origin of his political ideas Rudy Busto shows how one of Tijerina s particularly powerful mystical visions led him to northern New Mexico to fight to restore land to those who lost it during various nineteenth century land grant title conflicts More than three decades after the infamous Tierra Amarilla County courthouse raid Tijerina remains an important touchstone for all New Mexicans In his life and activism are found the interdependent issues of land water language economic development sovereignty political power and rights to cultural formation in the Southwest

A Companion to Dwight D. Eisenhower Chester J. Pach,2017-04-10 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

A Reader in Themed and Immersive Spaces Scott A. Lukas,2016 Themed spaces have at their foundation an overarching narrative symbolic complex or story that drives the overall context of their spaces Theming in some very unique ways has expanded beyond previous stereotypes and oversimplifications of culture and place to now consider new and often controversial topics themes and storylines Publisher s website

Giving Preservation a History Max Page,Randall

Mason, 2004 Table of contents Torture Shampa Biswas, Zahi Zalloua, 2011-12-01 The counterterrorism policies following September 11 2001 brought the definition and legitimacy of torture to the forefront of political military and public debates This timely volume explores the question of torture through multiple lenses by situating it within systems of belief social networks of power and ideological worldviews Individual essays examine the boundaries of what is deemed legitimate political violence for the sake of state security the immediate and long term effects of torture on human and social bodies the visual and artistic representations of torture how certain people are dehumanized to make it acceptable to torture them and how we understand complicity in and the ethical boundaries of torture *Where is the West?* Gordon Morris Bakken, Brenda Farrington, 2000 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource Inland Shift Juan De Lara, 2018-04-17 Global goods and the infrastructure of desire The spatial politics of Southern California's logistics regime Labor and the circuits of capital Cyborg labor and the global logistics matrix Contesting contingency Mapping the American dream Land capital and race Latinx frontiers *Disney's Land* Richard Snow, 2020-12-01 A propulsive and entertaining The Wall Street Journal history chronicling the conception and creation of the iconic Disneyland theme park as told like never before by popular historian Richard Snow One day in the early 1950s Walt Disney stood looking over 240 acres of farmland in Anaheim California and imagined building a park where people could live among Mickey Mouse and Snow White in a world still powered by steam and fire for a day or a week or if the visitor is slightly mad forever Despite his wealth and fame exactly no one wanted Disney to build such a park Not his brother Roy who ran the company's finances not the bankers and not his wife Lillian Amusement parks at that time such as Coney Island were a generally despised business sagging and sordid remnants of bygone days Disney was told that he would only be heading toward financial ruin But Walt persevered initially financing the park against his own life insurance policy and later with sponsorship from ABC and the sale of thousands and thousands of Davy Crockett coonskin caps Disney assembled a talented team of engineers architects artists animators landscapers and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park The catch was that they had only a year and a day in which to build it On July 17 1955 Disneyland opened its gates and the first day was a disaster Disney was nearly suicidal with grief that he had failed on a grand scale But the curious masses kept coming and the rest is entertainment history Eight hundred million visitors have flocked to the park since then In Disney's Land Snow brings a historian's eye and a child's delight not to mention superb writing to the telling of this fascinating narrative Ken Burns that will entertain Disneyphiles and readers of popular American history Publishers Weekly *The Bulldozer in the Countryside*

Adam Rome,2001-04-23 The concern today about suburban sprawl is not new In the decades after World War II the spread of tract house construction changed the nature of millions of acres of land and a variety of Americans began to protest against the environmental costs of suburban development By the mid 1960s indeed many of the critics were attempting to institutionalize an urban land ethic The Bulldozer in the Countryside was the first scholarly work to analyze the successes and failures of the varied efforts to address the environmental consequences of suburban growth from 1945 to 1970 For scholars and students of American history the book offers a compelling insight into two of the great stories of modern times the mass migration to the suburbs and the rise of the environmental movement The book also offers a valuable historical perspective for participants in contemporary debates about the alternatives to sprawl *Resisting Change in Suburbia*

James Zarsadiaz,2022-10-18 Between the 1980s and the first decade of the twenty first century Asian Americans in Los Angeles moved toward becoming a racial majority in the communities of the East San Gabriel Valley By the late 1990s their model minority status resulted in greater influence in local culture neighborhood politics and policies regarding the use of suburban space In the country living subdivisions which featured symbols of Western agrarianism including horse trails ranch fencing and Spanish colonial architecture white homeowners encouraged assimilation and enacted policies suppressing unwanted changes that is increased density and influence of Asian culture While some Asian suburbanites challenged whites concerns many others did not Rather white critics found support from affluent Asian homeowners who also wished to protect their class privilege and suburbia s conservative Anglocentric milieu In *Resisting Change in Suburbia* award winning historian James Zarsadiaz explains how myths of suburbia the American West and the American Dream informed regional planning suburban design and ideas about race and belonging **Jet Age Aesthetic** Vanessa R.

Schwartz,2020-02-21 A stunning look at the profound impact of the jet plane on the mid century aesthetic from Disneyland to Life magazine Vanessa R Schwartz engagingly presents the jet plane s power to define a new age at a critical moment in the mid 20th century arguing that the craft s speed and smooth ride allowed people to imagine themselves living in the future Exploring realms as diverse as airport architecture theme park design film and photography Schwartz argues that the jet created an aesthetic that circulated on the ground below Visual and media culture including Eero Saarinen s airports David Bailey s photographs of the jet set and Ernst Haas s experiments in color photojournalism glamorized the imagery of motion Drawing on unprecedented access to the archives of The Walt Disney Studios Schwartz also examines the period s most successful example of fluid motion meeting media culture Disneyland The park s dedication to people moving defined Walt Disney s vision shaping the very identity of the place The jet age aesthetic laid the groundwork for our contemporary media culture in which motion is so fluid that we can surf the internet while going nowhere at all *Desert Visions and the Making of Phoenix, 1860-2009* Philip VanderMeer,2010-12-16 Whether touted for its burgeoning economy affordable housing and pleasant living style or criticized for being less like a city than a sprawling suburb Phoenix by all environmental logic should

not exist Yet despite its extremely hot and dry climate and its remoteness Phoenix has grown into a massive metropolitan area This exhaustive study examines the history of how Phoenix came into being and how it has sustained itself from its origins in the 1860s to its present status as the nation's fifth largest city From the beginning Phoenix sought to grow and although growth has remained central to the city's history its importance meaning and value have changed substantially over the years The initial vision of Phoenix as an American Eden gave way to the Cold War Era vision of a High Tech Suburbia which in turn gave way to rising concerns in the late twentieth century about the environmental social and political costs of growth To understand how such unusual growth occurred in such an improbable location Philip VanderMeer explores five major themes the natural environment urban infrastructure economic development social and cultural values and public leadership Through investigating Phoenix's struggle to become a major American metropolis his study also offers a unique view of what it means to be a desert city

Magic Lands Western Cityscapes And American Culture After 1940 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Magic Lands Western Cityscapes And American Culture After 1940 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Magic Lands Western Cityscapes And American Culture After 1940 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Magic Lands Western Cityscapes And American Culture After 1940 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Magic Lands Western Cityscapes And American Culture After 1940 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Magic Lands Western Cityscapes And American Culture After 1940 is one of the best book in our library for free trial. We provide copy of Magic Lands Western Cityscapes And American Culture After 1940 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Magic Lands Western Cityscapes And American Culture After 1940. Where to download Magic Lands Western Cityscapes And American Culture After 1940 online for free? Are you looking for Magic Lands Western Cityscapes And American Culture After 1940 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Magic Lands Western Cityscapes And American Culture After 1940. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money

and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Magic Lands Western Cityscapes And American Culture After 1940 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Magic Lands Western Cityscapes And American Culture After 1940. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Magic Lands Western Cityscapes And American Culture After 1940 To get started finding Magic Lands Western Cityscapes And American Culture After 1940, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Magic Lands Western Cityscapes And American Culture After 1940 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Magic Lands Western Cityscapes And American Culture After 1940. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Magic Lands Western Cityscapes And American Culture After 1940, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
