Magic and Magicians Mohammad Amin Sheikho, 2014-12-16 How terrible are the words that issued from the mouths of those deceivers from amongst the jews who used false statements to insert intrigue into the books of Islam Their words about the possible use of magic to bewitch the most honorable one of all creation Mohammad cpth are nothing more than mere lies The same is true of another of their sayings fie on them may God make them as ugly as their deeds wherein they say that the accursed Satan controlled the Prophet cpth as well as other of our great masters including Solomon Job and our father Adam Their statements are easily refutable and just as our of every pot pours that which it contains woe to them because of what pours from their spirits As a result of such intrigues the belief in magic along with other spiritual diseases is spread amongst the Muslims by disbelieving magicians and their followers to the extent that one can hardly find a house in which there does not live at least one of their followers These people believe the devil's call because they have listened to false scholars instead of God and have turned their back on the Qur'an as if they knew better Now however it is time for the voice of truth to be heard by those people whose forefathers were not warned and who therefore remain heedless The Great Scholar Mohammad Amin Sheikho will bring them out of the darkness and into the light with the use of God's Luminous Book for the good of all those who believe in Al lah and the Last Day God says And repent to Al lah all of you oh believers so that you may be successful The Holy Qur'an Fortress 24 An Nour Light verse 31 Encyclopedia of Wicca & Witchcraft Raven

Kingdom of Magicians (free epic fantasy/sword and sorcery) Timothy L. Cerepaka, 2016-10-30 A thousand years ago the Good King rose and defeated the demons that had oppressed his people for centuries After his final victory he imprisoned the demons deep beneath the earth with a seal that will hold so long as his descendants hold the throne Unfortunately every

dynasty comes to an end And as time went on people forgot about the demons treating them as nothing more than scary tales meant to frighten disobedient children And when the last king was killed and left no heir to succeed him the once proud Kingdom of Lamaira splintered into three factions that have fought for decades in their attempt to conquer what is left of the kingdom Without a king on the throne the demons will rise again and destroy the people of Lamaira And when twenty three year old swordsman Keo kills a demon in the woods he realizes that the demons are returning To prevent the demons return Keo must travel to the capital of his country to show the country s rulers the proof of the demons return so they can prepare for the ancient threat Keo must fight robbers demons and other threats on his way to the capital but little does he know that there exists a traitor among the leaders who threatens to destroy the country from the inside **KEYWORDS** epic fantasy adventure series epic fantasy dragons epic fantasy magic epic fantasy sword and sorcery sword and sorcery adult fantasy sword and sorcery series sword and sorcery series magic
