A Scandal in Battersea Mercedes Lackey, 2025-09-23

The twelfth novel in Mercedes Lackey's magical Elemental Masters series reimagines Sherlock Holmes in a richly detailed alternate 20th century England Christmas is a very special time of year It is special for Psychic Nan Killian and Medium Sarah Lyon White and their ward Suki who are determined to celebrate it properly It is special for their friends Doctor John Watson and his wife Mary

both Elemental Masters who have found great delight in the season seeing it through young Suki's eyes. It is also special to others for very different reasons. For Christmas Eve is also hallowed to dark forces, powers older than mankind, powers that come awake on this long cold night. Powers best left alone. Powers that could shake the foundations of London and beyond. It begins slowly. Women disappearing in the dark of night, women only missed by those of their own kind. The whispers only begin when they start to reappear because when they do they are no longer sane. And when Nan and Sarah and the Watsons are called on to examine these victims they discover that it was no ordinary horror of the streets that drove them mad. But then the shadows reach for other victims, girls of good even exalted families who vanish from concerts, lectures and evening balls. And it will take the combined forces of Magic, Psychic Powers and the world's greatest detective to stop the darkness before it can conquer all.

Blood Red Mercedes Lackey, 2025-09-23

The ninth novel in Mercedes Lackey's magical Elemental Masters series reimagines the fairy tale Red Riding Hood in a richly detailed alternate Victorian world. Rosamund is an Earth Master in the Schwarzwald, the ancient Black Forest of Germany. Since the age of ten she has lived with her teacher, the Hunt Master and Earth Magician of the Schwarzwald Foresters, a man she calls Papa. Her adoptive Papa rescued her after her original Earth Master teacher, an old woman who lived alone in a small cottage in the forest, was brutally murdered by werewolves. Rosa herself barely escaped, and this terrifying incident molded the course of her future. For like her fellow Earth Masters of the Schwarzwald Lodge, Rosa is not a healer. Instead, her talents lead her on the more violent path of protection and defense, cleansing the Earth and protecting its gentle fae creatures from those evil beings who seek to do them harm. And so Rosa becomes the first woman Hunt Master and the scourge of evil creatures with a deadly specialty in werewolves and all shape shifters. While visiting with a Fire Master, a friend of her mentor from the Schwarzwald Lodge, Rosa meets a pair of Elemental Magicians from Hungary who have come looking for help. They suspect that there is a dark power responsible for a string of murders happening in the remote countryside of Transylvania, but they have no proof. Rosa agrees to help them, but there is a catch: one of the two men asking for aid is a hereditary werewolf. Rosa has been taught that there are three kinds of werewolves. There are those like the one that had murdered her teacher who transform themselves by use of dark magic, and also those who have been infected by the bite of these magical werewolves; these poor victims have no control over their transformative powers. Yet there is a third kind: those who have been born with the ability to transform at will. Some insist that certain of these hereditary werewolves are benign. But Rosa has never encountered a benign werewolf. Can she trust this Hungarian werewolf? Or is the Hunter destined to become the Hunted?
