Art and Myth in Ancient Greece T. H. Carpenter, 2022-01-20 The Greek myths are so much part of our culture that we tend to forget how they entered it in the first place Visual sources vase paintings engraved gems and sculpture in bronze and stone often pre date references to the myths in literature or offer alternative unfamiliar tellings In some cases visual art provides our only evidence as there is no surviving account in ancient Greek literature of such important stories as the Fall of Troy or Theseus and the Minotaur T H Carpenters book is the first comprehensive scholarly yet succinct survey of myth as it appears in Greek art Copiously illustrated it is an essential reference work for everybody interested in the art drama poetry or religion of ancient Greece With this handbook as a guide readers will be able to identify scenes from myth across the full breadth of archaic and classical Greek art

Studies in Hellenistic Architecture Frederick E. Winter, 2006-12-15 Studies in Hellenistic Architecture is a detailed analysis of the development of the major building types of the Hellenistic age the mid fourth century B C to the time of the Roman conquest of the Eastern Mediterranean In this meticulous work Frederick E Winter reveals how the architects of the period went beyond anything achieved by their Classical Greek predecessors and how these impressive skills prepared the way for many of Rome s later architectural achievements Geographically the monuments included in this volume extend from Spain to Afghanistan and from Provence to North Africa Winter discusses the architectural achievements of the various regional styles of the Eastern Mediterranean and takes a detailed look at Hellenistic developments west of the Adriatic While the interrelationship of these regional developments is often unclear especially in cases where there are no explicit criteria for dating Winter makes excellent use of the advance in scholarship over the past fifty to sixty years offering the first real attempt at a synthesis of this vast subject Studies in Hellenistic
