Magna Of Love:

The Love of Christ David Harsha,2025-05-30 In a world that abuses so much the very idea and scriptural doctrine of the love of Christ David Harsha gets us back to what the love of the Savior really means and what is the cost associated with it The author travels with us from the Incarnation of the Son of God through His sufferings and death and applies it to the bestowment of grace to the sinner But he does not stop there He expounds then on how the love of Christ brings comfort in the believer's life in many circumstances from the moments of joy and happiness to those times of affliction and even death He adds then over 25 witnesses of the love of Christ from the history of the Church and ends with bringing the reader to the perspective of being with Christ in glory the very blessedness of the saints This book was originally published in 1857 This edition has been proofread typeset for eBook readers and lightly updated for modern readers [The True Christian's Love for the Unseen Christ](#) Thomas Vincent,2025-05-30 Christian life is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title The True Christian's Love for the Unseen Christ The current edition has been proofread typeset for eBook readers and slightly updated for modern readers *Environmental Monitoring at Love Canal* United States. Environmental Protection Agency. Office of Research and Development,1982 [Now Abides: Faith, Hope, Love](#) Jerene B. Wright,2022-06-06 For Karsi hara Two months felt like forever especially since becoming aware of her prominent gift She had chosen to become inconspicuous about what was happening to her because she was only able to access that realm as she slept Having this ability to travel into another place in time was scary enough not to mention to be able to see and speak with those in that realm As she was able to overcome the initial shock her abilities began to sharpen more than she could ever imagine Meeting Jared and his sister and learning that they had the same gift was amazing she was floored the first time they spoke to one another It was mind blowing because neither of them would ever in a thousand years have comprehended such a thing Lisa has finally awakened but Jabali has not Relatives from both sides of the family have just about put their lives on hold as well as the Henry's who are now working on their marriage Tony prepares to head back to Japan along with some of the other family members to find out about Jabali's parents also needing to understand what exactly the shootout at the O'Hare Airport had been all about what had made all those mothers decide to risk their lives along with their children in such a dramatic way Upon his arrival in Japan Tony will meet with his boss Mr Yao Yamamoto

who will soon find out some horrifying news as well Together they will potentially get to the bottom of whatever has been going on right under their noses You will be able to meet members of Kasi hara s family while learning about how their love for the father has shaped them into some of the warmest and most magnificent people on this planet seemingly so unreal that it would almost appear unimaginable that they truly exist I know you will be able to appreciate how God has guided the hands of his people into becoming extraordinary examples of his love and greatness through their faith hope and love for him Now Abides Faith Hope Love Book 2 gives you not only a glance into another world but also a taste of whom our father the creator of everything really is So please sit back and let s get started As always thank you from the bottom of my heart

Middle Age Conor McCarthy,2013-10-28 First published in 2004 Routledge is an imprint of Taylor Francis an informa company *A Race with Love and Death* Richard Williams,2020-03-19 A tragic age and a tragic character both seemingly compelled to destroy themselves a chilling reminder of how little control we have over our fates Damon Hill One of the greatest motor racing stories Nick Mason Timely vivid and enthralling it s unputdownable Miranda Seymour author of *The Bugatti Queen* Dick Seaman was the archetypal dashing motorsport hero of the 1930s the first Englishman to win a race for Mercedes Benz and the last Grand Prix driver to die at the wheel before the outbreak of the Second World War Award winning author Richard Williams reveals the remarkable but now forgotten story of a driver whose battles against the leading figures of motor racing s golden age inspired the post war generation of British champions The son of wealthy parents educated at Rugby and Cambridge Seaman grew up in a privileged world of house parties jazz and fast cars But motor racing was no mere hobby it became such an obsession that he dropped out of university to pursue his ambitions squeezing money out of his parents to buy better cars When he was offered a contract with the world beating state sponsored Mercedes team in 1937 he signed up despite the growing political tensions between Britain and Germany A year later he celebrated victory in the German Grand Prix with the beautiful 18 year old daughter of the founder of BMW Their wedding that summer would force a split with his family a costly rift that had not been closed six months later when he crashed in the rain while leading at Spa dying with his divided loyalties seemingly unresolved He was just 26 years old *A Race with Love and Death* is a gripping tale of speed romance and tragedy Set in an era of rising tensions where the urge to live each moment to the full never seemed more important it is a richly evocative story that grips from first to last *Ezra Pound and the Mysteries of Love* Akiko Miyake,1991 For more than a decade scholars have understood that Ezra Pound employed mystical concepts of love in his writing of *The Cantos* In *Ezra Pound and the Mysteries of Love* Akiko Miyake furthers this understanding by looking at *The Cantos* as a major work in the Christian mystic religious tradition The author uncovers in the five volumes of Gabriel Dante Rossetti s *Il mistero dell amor platonico del medio evo* the crucial link between *The Cantos* and the traditions of mystical love established by the ancient Greeks at Eleusis and borrowed by the late medieval Italian and Proven al poets

Drawing upon this key five volume work as well as comprehensive research in both primary and secondary sources Miyake brings the partial perceptions of other critics and commentators into an illuminating whole Disclosing the deliberateness of The Cantos Miyake provides new insight into Pound's sense of culture and into the nature of his Confucianism She sheds light on the disastrous path Pound followed into Fascism and anti-Semitism and in contrast to the image of a pagan Pound that has emerged in recent years reveals a poet writing as a Christian from within the Christian mythical tradition Love and Law in Europe Hanne Petersen, 2018-11-08 First published in 1998 this volume aims to draw attention to an ongoing shift in the perception of law which is now increasingly understood as a cultural and historical phenomenon As other such phenomena like music literature or art it is acknowledged that it is created in a specific environment on which it is dependent for its functioning and interpretation The historical aspects of love in a European and Nordic context are underlined as well as the modern understanding of love and law as incompatible and contrasting concepts Developments within the European Union and especially the relation of the EU to so called third country nationals and immigrants demonstrate that the problematic concerning law and love is not only one of legal philosophy but also of legal and everyday reality The claim that love has been specifically European is discarded as Eurocentrist and the need for more particular emotions and a more pragmatic approach to romantic feelings for a reasonable love is discussed from legal feminist and philosophical perspectives
