Magnetic Leadership:

The Magnetic Leader Roberta Chinsky Matuson, 2017-03-03 Employees don't work for companies they work for people. The more irresistible you are as a leader, the more pull you have for employees to want to stay and for your customers to remain loyal. In *The Magnetic Leader*, Roberta Matuson asks us to consider that the quality of a company's leadership is the most important factor in attracting and retaining high quality employees. Matuson has spent 20 years helping organizations achieve both market leadership and dynamic growth by maximizing the talent they already have in addition to creating a magnetic environment that attracts high caliber new hires. Many are searching for a magical formula, but the fact is that the answer lies inside businesses organizations. Instead of offering crazy perks, companies need to focus on the one perk they can't get anywhere else, which is the opportunity to work with a truly magnetic leader. *The Magnetic Leader* aids readers in transforming their leadership style from push to pull, repel to attract, dismal to good, and then good to great. They'll become magnetic leaders who attract the cream of the crop and ultimately create legions of loyal, talented superstars eager to beat the competition.

Magnetic Leadership Victor Downing, 2005-01-01 Magnetic Leaders get extraordinary performance out of ordinary people. There are precious few Magnetic Leaders and the success of every business depends on them more every day. These are not born leaders, geniuses, or unusually charming corporate poster children. Rather, Magnetic Leaders are disciplined individuals who are determined to accomplish great things as a result of going to work. In every case, they are excellent managers, and in every case, they consistently apply five ancient principles: 1 Pursue What You Cannot Do, 2 Make The Invisible Visible, 3 Invest In The Best, 4 Weed The Garden, 5 Rest And Remember Regularly. Are you a Magnetic Leader? Will the best employees hire you? This book is dedicated to helping you answer those questions.
