The Magnificent Ambersons Booth Tarkington, 1919 The Magnificent Ambersons is the epic story of an American family's traumatic tumble from the dizzying heights of fame and fortune A dynasty spanning three generations the Ambersons pre-eminence as society's elite is threatened not only by a hungry new breed of industrial entrepreneurs but from its own arrogance and greed At the center of the story is George Amberson Minafer the pampered but pitiful scion of the clan upon whose shoulders the fate of the family fortune will be won or lost At once an exciting chronicle of a family's rise to fortune and its tortured downfall it is also a fascinating portrait of the forces that shaped American society

The Magnificent Ambersons Booth Tarkington, 2019-07-20 In a world where a gentleman's life is defined more by being rather than by doing a family's reputation can be compromised if it is not guarded carefully and the sole heir of the Amberson family is proving himself to be a difficult person Expected by the family to carry on its proud traditions George Amberson Minafer is trusted implicitly But though rich relatives provide the elegant suits the handsome young man who wears them is filled with little but appearances And this happens in spite of or perhaps because of his mother's selfless love that places him above her own happiness As George's uncle perceptively remarks life and money both behave like loose quicksilver in a nest of cracks With the new automobile industry transforming fortunes and coal heat transforming city air into sooty clouds anything that stands still is apt to be run over or at least begrimed What is magnificent about the

Ambersons is their faithful reliance on old money and old ways in a world changing rapidly around them Or perhaps it is the magnificence of the train wreck created when George s relatives with the best intentions shield him from the new realities and defer to all his wishes Booth Tarkington s most popular novel The Magnificent Ambersons will continue to draw readers for its well crafted portraits of what existed for just a short while the MidWestern aristocracy Genre s General
