Magnificent and Courageous Woman Helen J. Fong, 1998-01-01

The Magnificent Heresy ROYSTON

MOORE, 2011-10-26 The large ancient Egyptian Empire won by Thutmose III and his son Amenhotep II brought great wealth to Egypt. This legacy was squandered by the later pharaohs of the eighteenth dynasty. The person chiefly responsible for its loss was Akhenaten (Amenhotep IV) who always called himself by the name Akhenaten, being devoted to his God Aten, believing in a single God Aten represented by the Solar Disc. His crime was to attempt to force that single God on his people and attempted to destroy their beliefs in the many Gods of Egypt worshipped for centuries by his people. An attempt that caused havoc in the Middle East. Since we now know some five hundred years must be deducted from the present chronology of Egypt after the thirteenth dynasty, we now know that he copied his idea from the beliefs of the Israelite people and their belief in the coming of a Messiah would bring eternal peace to the world. However, this deduction means we must re-write the history of Egypt and its relations with other countries. This book attempts to do this. Although it is written in a fictionalized form to increase your enjoyment, every event is historically accurate and did occur at that time as described. But it is also a story of the true love of their men and women. Though the morals of Egypt were very different from what we accept today, they did love each other.

Menkheper ROYSTON MOORE, 2012-07-24 **MENKHEPERE** Pharaoh Menkheperre Thutmose who preferred to be called Menperre was the sixth pharaoh of the eighteenth dynasty of ancient Egypt and was the pharaoh who won a vast empire for ancient Egypt. With his queen Merytre Hatshepsut, daughter of Pharaoh Makere Hatshepsut, this man and woman's romance is probably the greatest love story of the ancient world. It seems three different minds bedeviled him throughout his life. Not fearing being killed nor those resulting in the deaths of his soldiers or enemies, simply because he believed his destiny was to conquer an empire for Egypt, which he did achieve. A man who at times was consumed by intense hatred, particularly of Senmut and King Solomon. A desire for revenge which at times drove him mad. Yet he was capable of great love, tenderness, and kindness to his wives and family, providing a supreme atmosphere of family life enjoyed by everyone. It is time this great romance is known to the world. This book, though offered in a fictionalized form, is factually correct in every aspect. Enjoy the peculiarities of Menkheperre Thutmose, which has never been told before. But enjoy how his love for his wives transcends all else. ROYSTON MOORE

The Whistler Stephanie Johnson, 2013-12-16 A brilliant novel about history, the forgetting and rewriting of it, and a satire on a society that has lost compassion in the process. Smooch is a Whistler, a genetically altered lapdog with special talents including the ability to remember his previous incarnations and to communicate directly from his brain by electronically downloading his thoughts onto disc. Smooch has been reincarnated many times and has lived on many of the great laps of history, past and future. He can recall many of history's key moments such as the birth of Jesus and the imprisonment of Mary Queen of Scots. *The Whistler* is a virtuosic feat, wise, funny, and intelligent. Smooch's current reincarnation is in Sydney in the year 2318. The world has gone to hell, democratic government

worldwide has given way to a society run by corporations pollution is everywhere and society is heavily stratified between the haves and have nots *Beautiful Scars* Sassy Angel,2013-05 Raised in a Long Island neighborhood riddled with drug wars Patti Chiappa faced experiences no child should have to know drug lords robbing her house in broad daylight frequent terrorization while she and her brother were home alone and having to rebuff the advances of a lewd man on her way to the school bus In addition to the frightening attacks she daily experienced Patti also dealt with the cruel remarks of classmates about her weight In the midst of so much turmoil Patti found solace in the close bond her family shared But in high school that bond was shattered by a betrayal from within as the effects of living in fear caused her family to turn on each other *Beautiful Scars* details the dramatic experience of one woman from the streets of New York to the hills of Georgia This amazing memoir will give you a greater understanding for people in remarkable circumstances Join Patti Leudeman Chiappa as she chronicles the trials she overcame and the love she finally found Find hope for yourself in the faith that sustained Patti throughout it all and gave her strength to see God's goodness in her *Beautiful Scars* *Samantha's Hidden Identity: A Weak to Strong Werewolf Romance (My Mate Is A Slave Book 1)* Sassyjen,2022-12-20 Slavery one of the biggest sins in the wolf family but yet the Alpha of all Alphas was blind to see things taking place She was taken when she was just 2 and grew up as a slave she lost faith in ever getting out from the bondage and also getting a mate The night she was to be defiled by someone that's not her mate which might lead to the death of her wolf form she took the risk to escape entering the booth of a car which turned out to be the alpha of all alphas and his name is Kayden Arriving in his town Kayden found the strange girl who was his mate in his car but rejected her Her name is Samantha Will he send her away What will be Samantha's fate

Grimké, Francis James Grimké,1942 **The Social Superpower** Kathleen Wyatt,2022-03-24 This might sound like a back handed compliment but it is not meant to be I cannot think of a better more elegant or more articulate guide to mistruth than Kathleen Sathnam Sanghera author of *Empireland How Imperialism Has Shaped Modern Britain* There are a few secrets he tells me A few discoveries that I've never published Some of the most powerful ones I wouldn't betray them under torture In a time of deep fakes alternative truths and leaked secrets it would be easy to think that we are surrounded by lies While most people are shaking their heads and muttering dark things about the new levels of deceit former Times journalist Kathleen Wyatt is busy marvelling at how society manages it How do we do this extraordinary thing often under the most ordinary of circumstances When do we first do it why do we do it and do we really tell more lies today Wyatt goes deep into disinformation to find out but given her own lies can she even be trusted on this subject In this brilliant wide ranging study of lies and lying Wyatt introduces us to a cast of professionals and professional liars from scientists to investigators from double agents to toddler specialists from a fallen titan of industry to a Nobel Peace Prize winning journalist Together they all help her prove a remarkable thesis lies hold us together as much as they push us apart and they play a vital role in a healthy society CURSE OF THE STRONG WOMAN KAREN CLARK-GREEN,2012-04-27 In
