studied it for his whole life can constantly find deeper and deeper levels of understanding about the love that God has for all his children It is our hope and prayer that this book will start a journey that will last an entire lifetime of learning about God and loving him as a personal Father to be born again as a child of God and eventually to be with God and Jesus Christ through all eternity to come The stories about Jesus Christ and what he did are presented in a brief simple format suitable to be studied with your children or read to them at night as they drift off to sleep It will allow your children to understand that the promise of God to live a powerful righteous life in this day and time is still available no matter how far society degrades into confusion If you desire to give your child a tool that can reward your child for a lifetime and beyond just get this awesome book and enjoy
