Magpie Island:

Magpie Island Colin Thiele, 1982 *Magpie's Island* Michael F. Page, 1964 **Schooling the Child** Helena Austin, Bronwyn Dwyer, Peter Freebody, 2005-08-19 What is a child How is the concept of childhood defined This book aims to explore these perennial and complex questions by looking at the way in which society constructs and understands childhood The authors focus in particular on the school a key location within which social and cultural notions of childhood are defined and performed The book is divided into three major parts Part 1 frames the accepted notions of childhood and schooling and introduces ethnomethodological analysis as a tool to rethink current versions of the child Part 2 focuses on how school students become members of a category within the institution of the classroom The authors explore this idea through transcripts of talk between teachers and students and amongst students themselves in two classroom studies Part 3 looks at the materials of education concentrating specifically on children's texts The authors examine how such texts portray a notion of the child within the story and also assume a notion of the child as reader of the story This important book shows how much is at stake for children in accepting adults' deep seated notions of childhood It will be of great interest to educational researchers and policy makers sociologists of childhood teachers and student teachers **Earthquake Terror** Peg Kehret, 1998-05-01 When Jonathan and his family go camping on Magpie Island they look forward to a fun relaxing weekend But their fun quickly vanishes when Jonathan his sister Abby and their dog Moose find themselves in the middle of a natural disaster A devastating earthquake has hit destroying their camper knocking out the only bridge to the mainland and leaving Jonathan Abby and their dog with no food water or shelter Alone in the woods can Jonathan manage to keep calm and save Abby and Moose and stay alive himself **Dictionary of the Thames, from Oxford to the Nore** Charles Dickens, 1894
Dickens's Dictionary of the Thames, from Its Source to the Nore, 1893 Charles Dickens, 1893 **With Dew on My Boots & Other Footprints** Colin Thiele, 2013-05-01 With Dew on my Boots is a rich evocation of the childhood of Colin Thiele who has delighted generations of Australian children for years A fascinating account of what it was like to grow up at a particular time and place the predominately German speaking farming community of Eudunda just north of the Barossa Valley in the 1920s and 30s With Dew on my Boots is instilled with Colin's characteristic warmth humour and wisdom Other Footprints traces moments in Colin's life beyond the early years During his many journeys across the length and breadth of Australia with his wife Rhonda he delighted in encounters with people of all ages in cities country towns and microscopic dots on outback maps as well as with wildlife and the land itself **Voyages of Samuel De Champlain** Samuel De Champlain, 2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Dickens's Dictionary of the Thames.
