**50 Self-Help Classics** Tom Butler-Bowdon,2010-12-07 Discover the proven classics of personal transformation and the books that have served as catalysts of change for millions [The Winged Energy of Delight](#) Robert Bly,2009-10-06 This dazzling intensely personal compendium is a passionate feast Jane Hirshfield Robert Bly had always been amazingly prescient in his choice of poets to translate The poetry he chose supplied qualities that were lacking from the literary culture of this country For the first time Robert Bly s brilliant translations from several languages and spanning twenty two poets have been brought together in one book At a time when editors and readers knew only Eliot and Pound Robert Bly introduced the earthy wildness of Pablo Neruda and Cesar Vallejo and the sober grief of Trakl as well as the elegance of Jimenez and Tranströmer He also published high spirited versions of Kabir and Rumi and Mirabai which had considerable influence on the wide culture of the 1970s and 1980s Bly s clear translations of Rilke attracted many new readers to the poet and his versions of Machado have become models of silence and depth He continues to bring fresh and amazing poets into English most recently Rolf Jacobsen Miguel Hernandez Francis Ponge and the nineteenth century Indian poet Ghalib As Kenneth Rexroth has said Robert Bly is one of the leaders of a poetic revival which has returned American literature to the world community *My Sentence Was a Thousand Years of Joy* Robert Bly,2009-10-06 Readers have found Robert Bly s ghazals startling and new they merge wildness with a beautiful formality The ghazal form is well known in Islamic culture but only now finding its way into the literary culture of the West Each stanza of three lines amounts to a finished poem God crouches at night over a single pistachio The vastness of the Wind River Range in Wyoming Has no more grandeur than the waist of a child The ghazal s compacted energy is astounding In a period when much American poetry is retreating into prosaic recordings of daily events these poems do the opposite *My Sentence Was a Thousand Years of Joy* is Robert Bly s second book of ghazals The poems have become more intricate and personal

than they were in *The Night Abraham Called to the Stars* and the leaps even more bold This book includes the already famous poem against the Iraq War *Call and Answer Tell me why it is we don't lift our voices these days And cry over what is happening* The poems are intimate and yet reach out toward the world the paintings of Robert Motherwell the intensity of Flamenco singers the sadness of the gnostics the delight of high spirits and wit This book reestablishes Bly's position as one of the greatest poets of our era After many years of free verse in American poetry years which have been very fertile the inventive ghazal helps the imagination to luxuriate in a form once more We are seeing a poetry emerge that is recovering many of the great intensities that modern art and poetry has aimed at and achieved in earlier generations *The Angels Knocking on the Tavern Door* Robert Bly, Leonard Lewisohn, 2009-10-06 One of our most acclaimed poets brings the work of the great Persian mystic and poet Hafez to a new audience There is no poet in our tradition who carries the amount of admiration and devotion that the Persians have for Hafez Children learn to sing Hafez poems in the third grade and almost every family has a copy of the collected Hafez on the dining room table Robert Bly and the great Islamic scholar Leonard Lewisohn have worked for 15 years on this book of Hafez the first that carries into English his nimbleness his outrageous humor his defenses of the private life in the face of the fundamentalists and the joy of his love poems He writes in the ghazal form one of the greatest inventions in the history of poetry This is Rumi's wild younger brother now brought into an English that makes his genius visible *Once Upon a Time There was a Little Girl* Marcella Hannon Shields Ph. D., 2008-07 *Once Upon a Time There Was a Little Girl* shares the moving stories of seven women who as young girls experienced the early loss of their mothers through death or physical or emotional abandonment The women explore their personal traumas through their responses to seven fairy tales in which there was no nurturing maternal presence Dr Marcella Shields is a psychologist with over thirty years of experience who reveals the inspiring journeys of these women who eventually triumph over suffering and learn to rely on the bond they have formed with each other to help reclaim their passion for life By exploring seven timeless fairy tales in which the heroine finds her way through the grief of abandonment the women offer a deeper understanding of the significance of the mother daughter bond and the devastating consequences for the daughter if this bond is ruptured early The poignant life stories and dreams courageously offered by these women show how fairy tales allowed them to understand and refashion themselves and provide a source of encouragement and hope for other women who have experienced early maternal loss Fathers raising daughters without a consistent maternal presence will also find the reflections valuable *The Truth Seeker* Lucy White, 2003-07 **Bone** Marion Woodman, 2001-12-01 On November 7 1993 Marion Woodman was diagnosed with uterine cancer Here in journal form is the story of her illness her healing process and her acceptance of life and death Breathtakingly honest about the factors she feels contributed to her cancer Woodman also explains how she drew upon every resource physical and spiritual available to her to come to terms with her illness Dreams and imagery self reflection and body work and both traditional and alternative medicine play distinctive roles in Woodman's
