Maidens Consent:

The Maiden's Consent Leandro Fernández de Moratín,1962 *The Huron Chief, and Other Poems* Adam Kidd,1830

A Millennium of Family Change Wally Seccombe,1995-10-17 How do changes in family form relate to changes in society as a whole In a work which combines theoretical rigour with historical scope Wally Seccombe provides a powerful study of the changing structure of families from the Middle Ages to the beginning of the Industrial Revolution Responding to feminist critiques of sex blind historical materialism Seccombe argues that family forms must be seen to be at the heart of modes of production He takes issue with the mainstream consensus in family history which argues that capitalism did not fundamentally alter the structure of the nuclear family and makes a controversial intervention in the long standing debate over European marriage patterns and their relation to industrialization Drawing on an astonishing range of studies in family history historical demography and economic history *A Millennium of Family Change* provides an integrated overview of the long transition from feudalism to capitalism illuminating the far reaching changes in familial relations from peasant subsistence to the making of the modern working class **1812 Echoes** Stephen G.H. Roberts,Adam Sharman,2013-07-26

This book commemorates the bicentenary of the landmark Spanish Constitution of 1812 Drafted by Spanish and colonial Spanish American liberals and non liberals holed up in Cadiz as Napoleon s troops occupied the surrounding hills this war time Constitution set out radically to redefine the Spanish nation for a new age In the event it divided Spaniards and threw into sharp relief the question of Spain s legitimacy in her American colonies Cadiz 1812 is a defining moment in the modern history of the Spanish speaking world Bringing together specialists in the history politics and culture of Spain and Latin America the Cadiz text was a cultural and ethnic document as much as a politico legal one this volume represents the only large scale commemoration in the UK of one of the world s first liberal constitutional tracts The point of the book however as of the conference and accompanying exhibition on which it is based is not solely to reflect on the significance and repercussions of Cadiz 1812 on both sides of the Hispanic Atlantic at the time The book also considers later interpretations of Cadiz 1812 and examines in addition other constitutions in the Spanish speaking world beyond 1812 Subjects treated include Spain s crisis of absolutism the Inquisition before the Constitution liberalism and Catholicism discourses of the 1812 Constitution the question of sovereignty political theatre during the Napoleonic invasion Goya the Spanish crisis in the British press Lord Holland and Blanco White P rez Gald s s C diz futuristic literary representations of Spain s nineteenth century crisis political and philosophical echoes in Latin America in the nineteenth and twentieth centuries in C uteda Mexico Argentina and Cuba and finally politico philosophical echoes in Spain in the Liberal Triennium in the mid nineteenth century in the Spanish Second Republic in 1978 and in 2011 in the midst of the financial but it is also a constitutional crisis The volume includes a specially conducted interview with Spanish politician Alfonso Guerra one of the figures behind the Spanish Constitution of 1978 *Two Women* Gertrudis Gómez de Avellaneda (1814-1873),2021-11-12 The first openly feminist novel

published in Spanish *Two Women* tells the riveting tale of a tumultuous love triangle among a brilliant young widowed countess her inexperienced lover and his pure and virtuous wife This first English translation captures the lyrical romanticism of the novel's prose and includes a scholarly introduction to the author and her work *Engaging the Emotions in Spanish Culture and History* Luisa Elena Delgado, Pura Fernández, Jo Labanyi, 2021-04-30 Rather than being properties of the individual self emotions are socially produced and deployed in specific cultural contexts as this collection documents with unusual richness All the essays show emotions to be a form of thought and knowledge and a major component of social life including in the nineteenth century which attempted to relegate them to a feminine intimate sphere The collection ranges across topics such as eighteenth century sensibility nineteenth century concerns with the transmission of emotions early twentieth century cinematic affect and the contemporary mobilization of political emotions including those regarding nonstate national identities The complexities and effects of emotions are explored in a variety of forms political rhetoric literature personal letters medical writing cinema graphic art soap opera journalism popular music digital media with attention paid to broader European and transatlantic implications *Adapting Spanish Classics for the New Millennium* Linda M. Willem, 2022-08-30 The twenty first century's turn away from fidelity based adaptations toward more innovative approaches has allowed adapters from Spain Argentina and the United States to draw upon Spain's rich body of nineteenth century classics to address contemporary concerns about gender sexuality race class disability celebrity immigration identity social justice and domestic violence This book provides a snapshot of visual adaptations in the first two decades of the new millennium examining how novelistic material from the past has been remediated for today's viewers through film television theater opera and the graphic novel Its theoretical approach refines the binary view of adapters as either honoring or opposing their source texts by positing three types of adaptation strategies salvaging which preserves old stories by giving them renewed life for modern audiences utilizing which draws upon a pre existing text for an alternative purpose building upon the story and creating a shift in emphasis without devaluing the source material and appropriation which involves a critique of the source text often with an attempt to dismantle its authority Special attention is given to how adapters address audiences that are familiar with the source novels and those that are not This examination of the vibrant afterlife of classic literature will be of interest to scholars and educators in the fields of adaptation media Spanish literature cultural studies performance and the graphic arts **The Cambridge History of European Romantic Literature** Patrick Vincent, 2023-11-09 Examining Romanticism's pan European circulation of people ideas and texts this history re analyses the period and Britain's place in it **Encyclopedia of Humor Studies** Salvatore Attardo, 2014-02-25 The Encyclopedia of Humor Studies explores the concept of humor in history and modern society in the United States and internationally This work's scope encompasses the humor of children adults and even nonhuman primates throughout the ages from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire As an academic social history it includes the

perspectives of a wide range of disciplines including sociology child development social psychology life style history communication and entertainment media Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book s 335 articles are organized in A to Z fashion in two volumes approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader s Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader s Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore Key Themes Anthropology Folklore and Ethnicity Antiquity Components of Humor Culture Entertainment Industry History Literature and Major Literary Figures Performing Arts Philosophy and Religion Politics Psychology Clinical and Counseling Psychology Cognition Developmental Psychology General Psychology Health Psychology Interpersonal Relationships Motivation and Emotion Neuropsychology Personality and Social Psychology Tests and Measurement Professions Business World Education Law Humor Theory Linguistics Mathematics Computer Science and the Internet National Ethnic and Regional Humor Africa Americas Asia Europe Middle East Physiology and Biology Sociology Visual Humor
