**Maigret)** Georges Simenon,2026-07-07      **Maigret's World** Murielle Wenger,Stephen Trussel,2017-09-13 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself

**Investigating Simenon** Russell Campbell,2022-10-04 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works      **Simenon** Stanley G. Eskin,2025-03-05 The most comprehensive account of Georges Simenon s life and work in either English or French from his youth and adolescence in Belgium through his spirited beginnings as a writer of pulp fiction in the Paris of the 20s his invention of Maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction His obsession with women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed Also critical evaluations of his fiction including the largely ignored pulp fiction Simenon s relationship to popular traditions literature detective fiction high literature and the critics are offered The photographs are rare and revealing e g with Josephine Baker cutting up in a bistro      **Literary Afterlife** Bernard A. **Allegories** Alistair Rolls,John West-Sooby,Marie-Laure Vuaille-Barcan,2019-04-15 This book explores the intersection of a number of academic areas of study that are all individually of growing importance translation studies crime fiction and world literature The scholars included here are leaders in one or more of these areas The frame of this volume is imagological its focus is on the ways in which national allegories are constructed and deconstructed encompassing descriptions of national characteristics as they play out at the level of the local or the individual as well as broader political analyses Its corpus crime fiction is shown to be a privileged site for writing the national narrative and often in ways that are more complex and dynamic than is suggested by the genre s much cited role as vehicle for a new realism Finally these two areas are

problematised through the lens of translation which is a crucial player in both the development of crime fiction and the formation rather than simply the interlingual transfer of national allegory In this volume national allegories and the crime novels in which they emerge are shown to be eminently versatile foundationally plural texts that promote critical rewriting as opposed to sites for fixing meaning This book was originally published as a special issue of The Translator Crime Fiction and Film in the Southwest Steve Glassman, Maurice J. O'Sullivan, 2001 When Joe Leaphorn and Jim Chee Tony Hillerman's oddly matched tribal police officers patrol the mesas and canyons of their Navajo reservation they join a rich tradition of Southwestern detectives In Crime Fiction and Film in the Southwest a group of literary critics tracks the mystery and crime novel from the Painted Desert to Death Valley and Salt Lake City In addition the book includes the first comprehensive bibliography of mysteries set in the Southwest and a chapter on Southwest film noir from Humphrey Bogart's tough hood in The Petrified Forest to Russell Crowe's hard-nosed cop in L.A. Confidential **Icons of Mystery and Crime Detection** Mitzi M.
