Maigret And The Millionaires:

Maigret and the Millionaires Georges Simenon,1974 **Maigret and the Millionaires** Georges Simenon,2002-01-01
Maigret's investigations of the attempted suicide of the glamorous Countess Paverini and the death of her multimillionaire lover David Ward take him behind the glittering facade of the world famous hotels in Paris Monte Carlo and Lausanne and into the private world of the very rich Maigret Travels Georges Simenon,2018-08-07 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When two people turn up dead at the same hotel mere hours apart Maigret suspects it is no coincidence When multi millionaire David Ward is found dead in the same hotel as a countess who attempted suicide only hours earlier Maigret presumes that the two cases are connected When the countess flees Paris after the murder Maigret follows her to Nice and then to Switzerland to uncover the truth Maigret Travels is a tense intricately woven mystery with a shocking conclusion **Maigret and the Millionaires. Translated from the French** ,1974

Maigret's World Murielle Wenger,Stephen Trussel,2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself **Investigating Simenon** Russell Campbell,2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works
