**Maigret Et la Grande Perche. Maigret and the Burglar's Wife. Translated ... by J. Maclaren-Ross** Georges Simenon,Julian Maclaren ROSS,1955      Inspector Maigret and the Burglar's Wife Georges Simenon,1957      **Maigret's World** Murielle Wenger,Stephen Trussel,2017-09-13 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself      Maigret, Simenon and France Bill Alder,2012-12-01 Georges Simenon 1903 1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon s portrait of French society is historically accurate and the nature of the influence of the author s own class position and ideology on his fiction      **The Transcendent Holmes** John Warwick Montgomery,2018-03-09 In a series of sparkling and intelligently presented essays Dr Montgomery takes a fresh look at the world where it is always eighteen ninety five the world of Baker Street and Sherlock Holmes Besides examining long debated problems such as the true location of 221B which was Holmes s University how many times Watson was married and where Watson was wounded Dr Montgomery also considers Holmes s activities in Tibet his writings his brother Mycroft and his liking for fine wines In a stunning climax to the volume the reader is presented with a discussion between Holmes and Watson which will almost certainly cause him her to pause think and deeply consider the depth of the message conveyed Dr Montgomery is a Sherlockian of long standing These essays prove that his time devoted to his subject has been very well spent indeed      **Investigating Simenon** Russell Campbell,2022-10-04 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets

it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

**The Babel Guide to French Fiction in English Translation** Ray Keenoy, Laurence Laluyaux, Gareth Stanton, 1996 The Babel guide has 150 original reviews of books by over 100 authors from France Quebec North and West Africa Belgium and Switzerland Each review provides a kind of trailer for the work and is followed by an excerpt as a taster It introduces big names of French literature such as Sartre Camus Colette and Duras and a collection of less familiar writers such as Driss Chraïbi and Madeline Bourdouxhe It includes a database of French fiction translated in the UK since 1950 with original titles and current prices This is the third in a series of accessible and illustrated guides to world fiction available in English translation aimed at journalists academics teachers and the ordinary reader The reviews let potential readers have a idea as to whether a work might suit them
