Main Currents In The History Of Education:

Main Currents in the History of Education Edward J. Power, 1962 Main Currents in the History of Education. Second Edition Edward John POWER, 1970 *Philosophy of Education in Historical Perspective* Adrian M. Dupuis, Robin L. Gordon, 2010-03-23 Education students are continually asked to reflect upon their own philosophy of education and how it relates to their teaching practice *Philosophy of Education in Historical Perspective Third Edition* focuses on major educational philosophies that have had an impact on Western education and helps the reader to make sense of past and current trends and to place them in a historical context This third edition is updated to correspond with the increasingly swift changes that have been taking place in education As we move forward into the twenty first century it is hard to recall that only twenty years ago computers were not part of standard classroom equipment This widely accessible edition will update the second with another look at postmodernism as it has continued to develop in the past fifty years **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1972 **Modernizing Jewish Education in Nineteenth Century Eastern Europe** Mordechai Zalkin, 2016-01-19 In *Modernizing Jewish Education in Nineteenth Century Eastern Europe* Mordechai Zalkin offers a new path through which the Eastern European traditional Jewish society underwent a rapid and significant process of modernization the Maskilic system of education Since the beginning of the nineteenth century a few local Jews affected by the values and the principles of the European Enlightenment established new private modern schools all around The Pale of Settlement in which thousands Jewish boys and girls were exposed to different disciplines such as sciences and humanities a process which changed the entire cultural structure of contemporary Jewish society *Education for the Student Teacher (1995 Syllabus)*, 1991 **Sextus Julius Africanus und die byzantinische Chronographie** Gelzer, 1880 Educational Administration & Supervision, 1915 **The Legacy of Isocrates and a Platonic Alternative** James R. Muir, 2018-07-27 Bringing together the history of educational philosophy political philosophy and rhetoric this book examines the influence of the philosopher Isocrates on educational thought and the history of education Unifying philosophical and historical arguments Muir discusses the role of Isocrates in raising two central questions What is the value of education By what methods ought the value of education to be determined Tracing the historical influence of Isocrates ideas of the nature and value of education from Antiquity to the modern era Muir questions normative assumptions about the foundations of education and considers the future status of education as an academic discipline Development of Western Educational Thought A.P. Sharma, 1997 **Humanistic Emphases in the Educational Thought of Vincent of Beauvais** McCarthy, 2022-07-11 *Social Change in the History of British Education* Joyce Goodman, Gary McCulloch, WILLIAM RICHARDSON, 2013-09-13 This work provides an overall review and analysis of the history of education and of its key research priorities in the British context It investigates the extent to which education has contributed historically to social change in Britain how it has itself been moulded by society and the needs and

opportunities that remain for further research in this general area Contributors review the strengths and limitations of the historical literature on social change in British education over the past forty years ascertain what this literature tells us about the relationship between education and social change and map areas and themes for future historical research They consider both formal and informal education different levels and stages of the education system the process and experience of education and regional and national perspectives They also engage with broader discussions about theory and methodology The collection covers a large amount of historical territory from the sixteenth century to the present including the emergence of the learned professions the relationship between society and the economy the role of higher technological education the historical experiences of Ireland Scotland and Wales the social significance of teaching and learning and the importance of social class gender ethnicity and disability It involves personal biography no less than broad national and international movements in its considerations This book will be a major contribution to research as well as a general resource in the history and historiography of education in Britain *Team Teaching* Francis J. Buckley, 2000 *Team Teaching* covers the nature purpose types history evaluation and resourcing of team teaching as well as the roles of teachers students and administrators It is the fruit of 30 years of team teaching in a variety of settings **The Development of Teacher**

Institute of Library Research, University of California, Berkeley, 1972 *Historical Dictionary of Trinidad and Tobago* Rita Pemberton, Debbie McCollin, Gelien Matthews, Michael Toussaint, 2018-03-19 As separate entities and later a unified state the Caribbean islands of Trinidad and Tobago boast very unique histories Initially claimed by the Spanish in 1498 these territories were affected by the imperialist thrusts of various European nations including the French British and Dutch The

mercantilist infiltrations of these groups particularly in the 18th century led to the islands belated development as sugar producers and particularly Trinidad as a cradle of migration World War II and the development of the oil and tourism industries in the 20th century transformed the economies culture and society of these islands The country has been one of the most important in the region in relation to economic and political leadership and as a centre of cultural development Historical Dictionary of Trinidad and Tobago contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Trinidad and Tobago *Educational Times* ,1906 *Education Studies in South Africa* Charl C. Wolhuter,2020-12-31 The thesis of this volume is that the fields of scholarly enquiry of Education internationally as well as in South Africa in particular despite being fields of virile scholarly activity and output are in need of a major overhaul In this collected work this want in research is encapsulated in three words relevance rigour and restructuring Research in the scholarly field s of Education is predominantly of small scale non accumulative widely condemned as not of a comparable standard to research done in other social sciences much less upon a par with research in the natural sciences and lacking structure in the sense of being anchored in a firm theory To make matters worse scholars in Education internationally and in South Africa have till very recently eschewed discussion as to the packaging or structuring of knowledge produced by Education research The book consists of chapters containing original research unpacking these desiderata from a variety of angles The authors had them served by a variety of methods from deductively argued position papers to empirical research the latter both quantitative survey research and qualitative **Makers of the Media Mind** William David Sloan,1990 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company
