Maine Lines Harris B. Stewart,1998 **Regional Interest Magazines of the United States** Sam Riley,Gary W. Selnow,1990-11-30 In *Regional Interest Magazines of the United States* Sam G Riley and Gary W Selnow focus on those magazines that direct their attention to a particular city or region and reach a fairly general readership interested in entertainment and information This work is a follow up to their earlier *Index to City and Regional Magazines of the United States* Titles are arranged alphabetically to facilitate access each entry includes a historical essay on the magazine s founding development editorial policies and content Entries also include two sections that provide data on information sources and publication history arranged in tabular form for ready reference In choosing the magazines to be profiled Riley and Selnow attempted to represent not only the biggest and most successful of this genre but also some smaller and newer titles plus significant earlier magazines that are no longer in print Special care was also taken to achieve an even geographical spread To attain greater accuracy regional writers were enlisted to do the entries on their own region These writers provide valuable information on how the various magazines began how conditions have caused them to change their problems their editors and publishers and their content as well as colorful and little known facts of their operation Magazines were arranged alphabetically and two informative appendices list the profiled titles by founding date and geographic location This volume will be a valuable resource for students of magazine publishing history [A Poem Containing History](#) Lawrence S. Sanctuary in the Wilderness Alan Mintz,2011-12-14 The effort to create a serious Hebrew literature in the United States in the years around World War I is one of the best kept secrets of American Jewish history Hebrew had been revived as a modern literary language in nineteenth century Russia and then taken to Palestine as part of the Zionist revolution But the overwhelming majority of Jewish emigrants from Eastern Europe settled in America and a passionate kernel among them believed that Hebrew provided the vehicle for modernizing the Jewish people while maintaining their connection to Zion These American Hebraists created schools journals newspapers and most of all a high literary culture focused on producing poetry *Sanctuary in the Wilderness* is a critical introduction to American Hebrew poetry focusing on a dozen key poets This secular poetry began with a preoccupation with the situation of the individual in a disenchanted world and then moved outward to engage American vistas and Jewish fate and hope in midcentury American Hebrew poets hoped to be read in both Palestine and America but were disappointed on both scores Several moved to Israel and connected with the vital literary scene there but most stayed and persisted in the cause of American Hebraism **Coffins** Rodman Philbrick,2015-01-27 In rural Maine a stop on the Underground Railroad is menaced by a supernatural force in this terrifying novel of pre Civil War horror Davis Bentwood has nearly finished medical school when he meets an abolitionist dwarf walking across Harvard Yard

Jeb Coffin is a nonpracticing doctor a devoted student of transcendentalism whose home life has been shaken by tragedy The two men become friends and Coffin invites Bentwood to rural Maine to save his family from itself The Coffins are noted abolitionists their home a stop on the Underground Railroad and lately they have been menaced by a supernatural terror The tragedies are countless two brothers killed a father driven mad and a baby frozen solid in its crib At first Bentwood cannot bring himself to acknowledge the impossible horrors that have cursed this family But he will not survive his sojourn in Maine unless he can open his mind to the possibility that something evil is waiting in the dark *Whitmanism, Imagism, and Modernism in China and America* Guiyou Huang,1997 This book is a cross cultural study of two major literatures of the late nineteenth and early twentieth centuries It traces the confluence of American and Chinese literatures in the early twentieth century when modernism reached its full powers in Europe and America and to a lesser extent in China The author examines how classical Chinese literature affected the birth of American modernism as represented by Ezra Pound he also investigates how American literature contributed to the formation and development of China's New Poetry **The Publishers Weekly** ,1893 **Popular Science** ,1944-03 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Who's who Among North American Authors** ,1929 The Historical Magazine John Ward Dean,George Folsom,John Gilmary Shea,Henry Reed Stiles,Henry Barton Dawson,1860 **Rock Climbing New England** Stewart M. Green,2015-06-20 New England is one of the country's most spectacular rock climbing arenas The 66 608 square mile region is studded with intimate crags sweeping walls compact sea cliffs towering ledges and spectacular overhangs This full color revised edition of Rock Climbing New England describes fifteen of the region's best climbing areas in detail Your choices of rocks and routes include two of the country's premier traditional crags Cathedral and Whitehorse Ledges in New Hampshire New England's biggest rock face Cannon Cliff in New Hampshire and stunning sea cliff routes at Maine's Acadia National Park and at Rhode Island's Fort Wetherill State Park Other superb selections include urban cragging at Crow Hill near Boston the traprock cliffs of Ragged Mountain in Connecticut and the granite slabs of Wheeler Mountain in Vermont Inside you will also discover climbing history of each site pitch by pitch written descriptions detailed topos and clear overview photos and insider tips to remote climbing areas waiting to be explored Rock Climbing New England 2nd edition is an indispensable resource for anyone seeking adventure in this remarkable region **The Harvard Graduates' Magazine** William Roscoe Thayer,1919 Bloody Promenade Stephen Cushman,1999-10-29 On 5 and 6 May 1864 the Union and Confederate armies met near an unfinished railroad in central Virginia with Lee outmanned and outgunned hoping to force Grant to fight in the woods The name of the battle Wilderness suggests the horror of combat at close quarters and an inability to see the whole field of engagement even from a distance Indeed the battle is remembered for its brutality and ultimate futility for Lee even with 26 000 casualties on both sides the

Wilderness only briefly stemmed Grant's advance. Stephen Cushman lives fifty miles south of this battlefield. A poet and professor of American literature, he wrote *Bloody Promenade* to confront the fractured legacy of a battle that haunts him through its very proximity to his everyday life. Cushman's personal narrative is not another history of the battle. If this book is a history of anything, he writes, it's the history of verbal and visual images of a single, particularly awful moment in the American Civil War. Reflecting on that moment can begin in the present with the latest film or reenactment, but it leads Cushman back to materials from the past. Writing in an informal first person style, he traces his own fascination with the conflict to a single book, a pictorial history he read as a boy. His abiding interest and poetic sensibility yield a fresh perspective on the war's continuing grip on Americans, how it pervades our lives through films and songs, novels such as *The Red Badge of Courage*, *The Killer Angels*, and *Cold Mountain*, Whitman's poetry, and Winslow Homer's painting, or the pull of the abstract idea of the triumph of freedom. With maps and a brief discussion of the Battle of the Wilderness for those not familiar with the landscape, and actors, *Bloody Promenade* provides a personal tour of one of the most savage engagements of the Civil War, then offers a lively discussion of its aftermath. *Portland Transcript*, 1838 *Home Journal*, 1903

Chambers' Edinburgh Journal, 1839 *Music of the Birds* Lang Elliott, 1999 Presents the songs and calls of more than seventy North American birds. Includes audio compact disc featuring songbird concerts and solos. **Academy; a Weekly Review of Literature, Learning, Science and Art**, 1903 The Poetical gazette, the official organ of the Poetry society and a review of poetical affairs, nos. 4-7 issued as supplements to the Academy v. 79 Oct. 15, Nov. 5, Dec. 3 and 31, 1910.
