**William Patton**

## **Makk Family:**

Makk Family A. B. Makk, Eva Makk, 1986      Makk Family Shelby Henderson, 1988-04-01      **Operation Babylift** Ian W. Shaw, 2019-05-28 In late March 1975 as the Vietnam War raged an Australian voluntary aid worker named Rosemary Taylor approached the Australian Embassy seeking assistance to fly 600 orphans out of Saigon to safety Rosemary and Margaret Moses two former nuns from Adelaide had spent eight years in Vietnam during the war building up a complex of nurseries to house war orphans and street waifs as the organisation that built up around them facilitated international adoptions for the children As the North Vietnamese forces closed in on their nurseries they needed a plan to evacuate the children or all their work might count for little Based on extensive archival and historical research and interviews of some of those directly involved in the events described Operation Babylift details the last month of the Vietnam War from the perspective of the most vulnerable victims of that war the orphans it created Through the story of the attempt to save 600 children we see how a small group of determined women refused to play political games as they tried to remake the lives of a forgotten generation one child at a time      **Collector's Guide** ,2007 The Collector's Guide strives to be a trusted partner in the business of art by being the most knowledgeable helpful and friendly resource to New Mexico's artists art galleries museums and art service providers Through a printed guidebook the World Wide Web and weekly radio programs we serve art collectors and others seeking information about the art and culture of New Mexico      *Soldiers, Traders, and Slaves* Janet Ewald, 1990 In the Nuba Hills on the frontiers of the Islamic Sudan a dynasty of Muslim warrior kings arose in the eighteenth century Their kingdom Taqali survived as an independent state resisting conquest by larger empires and coming under external control only during the twentieth century Janet Ewald has written the first comprehensive account of the origins and development of the Taqali kingdom Ewald shows how events originating far beyond the Taqali massif allowed local Muslim soldiers to become kings of the Taqali in the eighteenth century and then to hold on to their power But the nature of that power was shaped by the highland farmers who stubbornly and largely successfully resisted the efforts of the kings to parlay their control over the means of production In this struggle religion became an ideological weapon on both sides as the Taqali farmers asserted their local beliefs against their Muslim rulers Political confrontations also bore unintended economic consequences Ewald's account of Taqali challenges current views on the impact of Islam merchant capitalism and Egyptian military administration in nineteenth century Sudan      *The Connoisseur* ,1988-09      The Sudan of the Three Niles P.M. Holt, 2021-10-25 This work is an annotated translation of the Funj Chronicle the only full length Arabic account of the Nilotic Sudan from 910 1504 5 to 1288 1871 produced by a succession of nineteenth century Sudanese writers The earlier part is based on a king list of the Funj dynasty of Sinn r From the mid twelfth eighteenth century an increasingly detailed narrative describes the rule of Hamaj regents the conquest by Mu ammad Al Pasha's forces and the first half century of Turco Egyptian government The translator's Introduction discusses the textual history structure and authorship of the Chronicle while four Appendixes

provide supplementary materials This is a major source for Sudanese history to which non readers of Arabic have previously had access only through the summary translation in Harold MacMichael's History of the Arabs in the Sudan Cambridge 1992

*The Wisdom of Sand* Gene Doucette, 2025-04-08 On a distant island Wrimmad City the largest settlement on the remote island of Botzis is in many ways a low technology backwater fishing village but for one detail it boasts the seat of Unitism the world's second largest religious order Polister Calidon the leader of that order has lived a politically complicated but otherwise decently tranquil existence up until the day an old friend shows up at his door The friend Professor Damid Magly and his companion Princess Battine Alconnot are fleeing an international warrant and demand sanctuary Denying it would mean sentencing them to certain death but granting it could mean many more deaths while risking the independence of the Unital order and the sovereignty of Botzis As Polister knows better than almost anyone a House denied is a House to be feared Across the Norton Ocean Makk Stidgeon and Elicasta Sangristy are hot on Magly's trail which they think may lead to Botzis from the port of Oldhasken Chasing Magly is pretty low on Makk's preferred list of things he'd like to be doing instead such as arresting Viselle Daska arresting and or killing Calcut Linus or just relaxing somewhere on a beach with a beer That he's not doing one of those things instead is primarily thanks to Viselle who along with Dorn Jimbal convinces Elicasta and half convinces Makk that they need to get their hands on the key in Magly's possession To do that they're going to have to make it to Botzis first That's not going to be easy Because there's something dark and terrible swimming in the Norton Ocean An ancient threat has reawakened The Outcast is coming And Makk can't swim In *The Wisdom of Sand* book four in Tandemstar The Outcast Cycle all the pieces and the keys are falling into place

[The Permian Timescale](#) S.G. Lucas, S.Z. Shen, 2018-03-12 This volume brings together state of the art reviews of the non biostratigraphic and biostratigraphic data that are used to define and correlate Permian time intervals It includes analyses of Permian radio isotopic ages magnetostratigraphy isotope based stratigraphy and timescale relevant biostratigraphy It is the first book devoted to this subject and represents the cutting edge of Permian time scale research
