Malcolm X The Last Speeches:

February 1965 Malcolm X, 1992 Gathers speeches Malcolm X made during the last three weeks of his life *Malcolm X* Malcolm X, 2004 **Malcolm X Speaks** Malcolm X, 1990 Selection of speeches by Malcolm X The End of White World Supremacy Malcolm X, 2011-05-01 Malcolm X gave black Americans not only their consciousness but their history their dignity and a new pride No single individual can claim a more important responsibility for a sociological and historical leap forward such as the one sparked in America in the 1960s In 1965 when Malcolm X was gunned down on the stage of a Harlem theater America lost one of its eminent political thinkers Here in his own words are the revolutionary ideas that made Malcolm X one of the most charismatic and influential African American leaders in American history They are the thoughts of a determined leader during a turbulent sometimes impossible time and are invaluable in understanding not only the historical context of the Civil Rights movement but also contemporary identity and culture in the United States These speeches document Malcolm s progression from Black nationalism to internationalism and are key to both understanding his extraordinary life and illuminating his angry yet uplifting cause American Voices Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America s most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator s major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes *Malcolm X's Michigan Worldview* Rita Kiki Edozie, Curtis Stokes, 2015-06-01 The provocative debate about Malcolm X s legacy that emerged after the publication of Manning Marable s 2011 biography raised critical questions about the revolutionary Black Nationalist s importance to American and world affairs What was Malcolm s association with the Nation of Islam How should we interpret Malcolm s discourses Was Malcolm antifeminist What is Malcolm s legacy in contemporary public affairs How do Malcolm s early childhood experiences in Michigan shape and inform his worldview Was Malcolm trending toward socialism during his final year Malcolm X s Michigan Worldview responds to these questions by presenting Malcolm s subject as an iconography used to deepen

understanding of African descendent peoples experiences through advanced research and disciplinary study A Black studies reader that uses the biography of Malcolm X both to interrogate key aspects of the Black world experience and to contribute to the intellectual expansion of the discipline the book presents Malcolm as a Black subject who represents symbolizes and associates meaning with the Black Africana studies discipline Through a range of multidisciplinary prisms and themes including discourse race culture religion gender politics and community this rich volume elicits insights about the Malcolm iconography that contribute to the continuous formulation deepening and strengthening of the Black studies discipline

Malcolm X, 2016-05-18 In the year 2015 we remembered the 50th anniversary of Malcolm X s assassination in Harlem New York Spurred by the commitment to continue the critical work that Malcolm X began the scholars represented in the book have analysed the enduring significance of Malcolm X s life work and religious philosophy Edited by Dustin J Byrd and Seyed Javad Miri Malcolm X From Political Eschatology to Religious Revolutionary represents an important investigation into the religious and political philosophy of one of the most important African American and Muslim thinkers of the 20th century Thirteen different scholars from six different countries and various academic disciplines have contributed to our understanding of why Malcolm X is still important fifty years after his death Contributors are Syed Farid Alatas Dustin J Byrd Bethany Beyyette Louis A DeCaro Stephen C Ferguson William David Hart John H McClendon Seyed Javad Miri John Andrew Morrow Emin Poljarevic Rudolf J Siebert Nuri Tinaz and Yolanda Van Tilborgh **Two Speeches by Malcolm X.** Malcolm X, 1990 It s impossible for a chicken to produce a duck egg The system in this country cannot produce freedom for an Afro American Speeches and interviews from the last year of Malcolm s life **Against Empire** Zillah Eisenstein, 2013-07-18 In *Against Empire* Zillah Eisenstein extends her critique of neoliberal globalization and its capture of democratic possibilities Faced with an aggressive American empire hostage to ideological extremism and violently promoting the narrowest of its interests around the globe Eisenstein urgently looks to a global anti war movement to counter U S power Looking beyond the distortions of mainstream history Eisenstein detects the silencing of racialized sex gendered and classed ways of seeing *Against Empire* insists that the so called West is as much fiction as reality while the sexualized black slave trade emerges as an early form of globalization The West and western feminisms do not monopolize authorship there is a need for plural understandings of feminisms as other than western Black America India the Islamic world and Africa envision unique conceptions of what it is to be fully polyversally human Professor Eisenstein offers a rich picture of women s activism across the globe today If there is to be hope of a more peaceful more just and happier world it lies she believes in the understandings and activism of women today **The Errors of Atheism** J. Angelo Corlett, 2010-01-01 *The Errors of Atheism* is a response to the glaring gap that exists in analytical philosophy on the concept of God While there is the large body of work that either defends or challenges orthodox Christian theistic arguments there is a lack of analytical philosophical work articulating agnosticism as a critique of both theism and atheism J Angelo Corlett shows that the

conceptual depths of theism must be explored beyond orthodoxy in order to re open the debate on the problem of God His book is an agnostic s statement on the current state of the debate about God s existence and where the discussion must go to make genuine philosophical progress instead of remaining in a dialectical stalemate
