Mamas Disappointment:

Deadly Series Ann Christopher, 2017-07-24 *A Little Salty to Cut the Sweet* Sophie Hudson, 2013-06-04 There's nothing quite like family for good or bad. But in a world where we sometimes know more about the Kardashians than we do the people sleeping right down the hall, it's easy to forget that walking through life with our family offers all sorts of joy wrapped up in the seemingly mundane. There's even a little bit of sacred sitting smack dab in the middle of the ordinary. And since time's a wastin', we need to be careful that we don't take our people and their stories for granted. Whether it's a marathon bacon frying session, a road trip gone hysterically wrong, or a mother-in-law who makes every trip to the grocery store an adventure, author Sophie Hudson reminds us how important it is to slow down and treasure the day-to-day encounters with the people we love the most. Written in the same witty style as Sophie's BooMama blog, *A Little Salty to Cut the Sweet* is a cheerful, funny, and tender account of Sophie's very Southern family. It's a look into the real lives of real people and a real loving God right in the middle of it all.

The Cambridge Companion to African American Theatre Harvey Young, 2013 With contributions from the leading scholars in the field, this Companion provides a comprehensive and accessible overview of African American theatre from the early nineteenth century to the present day. Along the way, it chronicles the evolution of African American theatre and its engagement with the wider community.

My Mother, My Champion: Lessons and Inspirations From My Mother's Story Lorna Mae Johnson, 2024-09-04 This heartwarming memoir explores the complex and multifaceted life of the author's mother, Renza Bryant. Through her example, support, and guidance, Renza Bryant inspired and empowered others. Johnson describes her mother as a guiding light, a champion, and a woman who profoundly impacted her and everyone she met. Her mother's leadership, humility, accomplishments, and deep commitment to her community are highlighted. Woven into the narrative as the author explores her mother's remarkable life is a journey through Jamaican culture, offering the reader a chance to learn about her country. Details.

The Mama's Boy Myth Kate Stone Lombardi, 2012-03-15 A New York Times contributor offers a radical reexamination of a hot button issue: the mother and son relationship, and advocates the end of the mama's boy taboo. New York Times contributor Kate Stone Lombardi unveils the surprisingly close relationship between mothers and sons. Mother after mother confessed to Lombardi that her husband, brothers, and even female friends and family criticize the fact that she is too close to her sons. Many of these women are often startled by the strong connection they feel with their sons, but rarely do they talk about it because society tells them to push their little boys away and not baby them with too much cuddling and comforting. It is as if there were an existing playbook based on gender preconceptions dating back to Freud's Oedipus and beyond that prescribes the way mothers and their sons should interact. Lombardi's much-needed narrative is the first and only book to share truly revealing interviews with mothers who have close relationships with their sons, as well as interviews with these women's sons and husbands. Lombardi persuasively argues that the rise of the new male one who is more emotionally intelligent and more sensitive without being less manly is directly attributable to women who

are rejecting the mama's boy taboo Highlighting new scientific studies The Mama's Boy Myth begins a fresh story one that will be welcomed by mothers fathers and sons alike **The Ancestry Saga** Renée Martel,2025-06-28 Throughout the pages of Timeless Book Two of The Ancestry Saga the reckless teenager and the human gateway into the past continue navigating historical events and intertwining sagas **As I Remember** Lynn McKinney,2025-02-25 As I Remember is a personal treasure for me and it can be for you too You are given the secret to fighting the detrimental effects of Alzheimer's disease The secret is to remember Remember everything about your loved one that will help you to recall the days before Alzheimer's As I remember I challenge you to remember I left you space at the end of my journal to record the special moments that you will remember As you remember and are reading back over what you wrote you will discover that you have created your own treasure **Sixteen Scandals** Sophie Jordan,2021-05-25 The youngest of four daughters Primrose Ainsworth is used to getting lost in the shuffle When her parents decide to delay her debut into English society Prim hatches a plan to go rogue on the night of her sixteenth birthday She dons a mask and escapes to Vauxhall Gardens for one wild night and finds a masked stranger who becomes her partner in mischief and romance adapted from jacket Musical Women in England, 1870-1914 NA NA,2000-07-07 Musical Women in England 1870 1914 delineates the roles women played in the flourishing music world of late Victorian and early twentieth century England and shows how contemporary challenges to restrictive gender roles inspired women to move into new areas of musical expression both in composition and performance The most famous women musicians were the internationally renowned stars of opera greatly admired despite their violations of the prescribed Victorian linkage of female music making with domesticity the divas were often compared to the sirens of antiquity their irresistible voices a source of moral danger to their male admirers Their ambiguous social reception notwithstanding the extraordinary ability and striking self confidence of these women and of pioneering female soloists on the violin long an instrument permitted only to men inspired fiction writers to feature musician heroines and motivated unprecedented numbers of girls and women to pursue advanced musical study Finding professional orchestras almost fully closed to them many female graduates of English conservatories performed in small ensembles and in all female and amateur orchestras and sought to earn their living in the overcrowded world of music teaching Postscript from Pemberley Rebecca Ann Collins,2009-12 Seventh in the bestselling Jane Austen sequel series from Australia **The Gully Path** Dr. Sue Clifton,2014-12-17 Mississippi The 1950s and 60s Two friends one white and the other black Sue Ann spends her pre adolescent years protecting her best friend Liz Bess from prejudice and mistreatment but she can't protect her from the untimely death of her mother and their resulting separation as Liz Bess is sent north to school As a young adult Sue Ann falls in love with Tate Douglas a civil rights worker from the North during the violent summer of 1964 Liz Bess now Elizabeth returns to Mississippi to become a freedom fighter for her people and comes face to face with racist violence and death Through the turmoil Sue Ann is reminded of the words of Elizabeth's grandmother Love ain't black and love ain't white it jes

is *The House of Wittgenstein* Alexander Waugh, 2009-02-24 The House of Wittgenstein is the grand saga of a brilliant and tragic Viennese family whose members included a famous philosopher and the world's greatest one-handed classical pianist. The Wittgenstein family was one of the wealthiest, most talented and most eccentric in European history, held together by a fanatical love of music yet torn apart by money, madness, conflicts of loyalty and the upheaval of two world wars. Of the eight children, three committed suicide. Paul lost an arm in the war and yet stubbornly pursued a musical career, and Ludwig, the odd youngest son, is now regarded as one of the greatest philosophers of the twentieth century. Alexander Waugh, author of the acclaimed memoir *Fathers and Sons* and himself the offspring of a famous and eccentric family, tells their baroque tale with a novelistic richness to rival Thomas Mann's *Buddenbrooks*.

Brotherhood Anne Westrick, 2013-09-12 The year is 1867, the South has been defeated and the American Civil War is over. But the conflict goes on. Yankees now patrol the streets of Richmond, Virginia, and its citizens, both black and white, are struggling to redefine their roles and relationships. By day, fourteen-year-old Shadrach apprentices with a tailor and sneaks off for reading lessons with Rachel, a freed slave at her school for African American children. By night, he follows his older brother Jeremiah to the meetings of a group whose stated mission is to protect Confederate widows like their mother. But as the true murderous intentions of the group, now known as the Ku Klux Klan, are revealed, Shad finds himself trapped between old loyalties and what he knows is right. In this powerful and unflinching story of a family caught in the period of Reconstruction, A. B. Westrick provides a glimpse into the enormous social and political upheaval of the time.

A Night in the Life of a Country Girl Robert Williams, 2025-07-12 Poignant exploration of small town life weaving together the interconnected stories of its residents: Pole, Bean, Connie, Donnie, Wanda, and others, against the backdrop of a town marked by tragedy, longing, and unfulfilled dreams. Through vivid imagery and layered narratives, the story examines themes of identity, escape, and the enduring weight of memory.

Illegal Bettina Restrepo, 2011-03-08 This memorable coming-of-age story will awaken readers to the overlooked struggles of immigrants. Kirkus Reviews: Nora is on a desperate journey far away from home. When her father leaves their beloved Mexico in search of work, Nora stays behind. She fights to make sense of her loss while living in poverty, in wait of her father's return and a better day. When the letters and money stop coming, Nora decides that she and her mother must look for him in Texas. After a frightening experience crossing the border, the two are all alone in a strange place. Nora must find the strength to survive while aching for small comforts, friends, a new school, and her quinceañera. Booklist: Top Ten First Novels for Youth. YALSA Quick Pick for Reluctant Young Adult Readers. Amelia Bloomer List. TAYSHAS Reading List Pick. Thoroughly engaging and thought-provoking. An excellent choice for a book discussion group or a class conversation starter about immigration, prejudice, or gangs. Voice of Youth Advocates (VOYA): A vivid and unsparing look at the life of an illegal teenage girl who comes to the U.S. from Mexico in search of her father. Faith, family, and friendship are all features of this unforgettable individual life. An important novel that deserves a wide readership. Michael Cart, author of *Young Adult Literature: From Romance to Realism*.

Admiral William A. Moffett William F Trimble,2014-10-29 Naval aviation historian William F Trimble provides a clear and detailed portrait of the man who took on the challenge of forming an aeronautical bureau within the U S Navy in 1921 and then nurtured the early development of naval aviation Describing Admiral William A Moffett as one of the first high ranking naval officers to appreciate the importance of the airplane and the effect it would have on the fleet the author contends that the admiral s strong background as a surface officer gave him a credibility and trust with his superiors that others could not match The author attributes Moffett s desire to keep aviation as part of the fleet along with his diplomacy tenacity and political and military savvy to the success of the infant air arm during its formative years In striking contrast to the tactics of Army Gen Billy Mitchell Moffett s handling of the loyalty issue and other politically sensitive topics saved the Navy s air arm according to Trimble The book is equally candid about the admiral s shortcomings including his heavy handed support for airships a technological dead end that squandered millions and led to Moffett s death in 1933 when he went down with the airship Akron during a storm

A Natural History of Dragons Marie Brennan,2013-02-05 The story of a pioneering spirit who risked her reputation her prospects and her fragile flesh and bone to satisfy her scientific curiosity of how she sought true love and happiness despite her eccentricities and of her thrilling expedition to the perilous mountains of Vystrana

Cursing Columbus Eve Tal,2009-10-01 In 1908 fourteen year old Raizel who has lived in New York City for three years and her brother Lemmel newly arrived respond very differently to the challenges of living as Ukrainian Jews in the Lower East Side as Raizel works toward fitting in and getting ahead while Lemmel joins a gang and lives on the streets

The Highway Kind: Tales of Fast Cars, Desperate Drivers, and Dark Roads Patrick Millikin,2016-10-18 Thrilling crime stories about cars driving and the road from the world s bestselling and critically acclaimed writers Like fiction cars take us into a different world from the tony enclaves of upper crust society to the lowliest barrio from muscle car driving con men to hardscrabble kids on the road during the Great Depression from a psychotic traveling salesman to a Mexican drug lord who drives a tricked out VW Bus We all share the roads and our cars link us together Including entirely new stories from Michael Connelly C J Box George Pelecanos Diana Gabaldon James Sallis Ace Atkins Luis Alberto Urrea Sara Gran Ben H Winters and Joe Lansdale The Highway Kind is a street level look at modern America as seen through one of its national obsessions

Dangerous Games Amanda Scott,2013-03-26 A woman auctioned off to pay a gambling debt finds her only hope lies with a seductive stranger in this Regency romance from a USA Today bestselling author When her father auctions her off to pay his gambling debts Melissa Seacourt vows that she will be no man s bought bride Desperate to escape her fate shackled to someone she could never love Melissa instead is forced to honor and obey the seductive stranger who comes to her rescue Purchasing a wife for 20 000 guineas wasn t the end game Nicholas Barrington envisioned when he walked into the notorious Newmarket gambling club But the innocent Melissa arouses much more than his protective instincts It will take all of Nick s skill and daring to best a cunning adversary hell bent on his destruction With two lives now hanging in the balance Nick s

playing for the highest stakes of all his future with the woman who won his heart Dangerous Games is the 2nd book in the Dangerous series but you may enjoy reading the series in any order
