Norway and National Liberation in Southern Africa Tore Linné Eriksen, Nordiska Afrikainstitutet, 2000 This book documents and analyses the involvement of Norway in the liberation struggle in Southern Africa Apart from focussing on the formulation of official policies and the extensive cooperation with the liberation movements in the field of humanitarian assistance mainly based on the Ministry of Foreign Affairs records the study highlights the popular involvement and commitment to the struggle Separate chapters are concerned with the churches trade unions and solidarity movements such as the Norwegian Council for Southern Africa and the Namibia Committee The book also includes a case study on the battle for sanctions The Study forms part of the Nordic Africa Institute's research and documentation project National Liberation in Southern Africa The Role of the Nordic Countries The European Union and the Nordic Countries Lee Miles, 2005-06-28 The team of authors including academics from all five main Nordic countries provides an authoritative assessment of the intricate relationship between the EU and the Nordic countries *The Nordic Countries and Africa* Lennart Wohlgemuth, 2002 The Nordic Africa Institute has asked one representative from each Nordic country to give an account of how their respective countries have dealt with Africa over the years in some cases even over the centuries but with an emphasis on the last 50 years They were also asked to indicate what role Africa has played in the politics trade etc of their countries The diversity of the invited authors backgrounds and fields of specialization is reflected in their contributions but the authors have one thing in common a long experience from and deep engagement in Africa's development Lennart Wohlgemuth has been the director of the Nordic Africa Institute since 1993 *Sweden and National Liberation in Southern Africa* Tor Sellström, 1999 In 1969 the Swedish parliament endorsed a policy of direct assistance to the liberation movements in Southern Africa Sweden thus became the first Western country to enter into a relationship with organizations that elsewhere in the West were shunned as Communist or terrorist This book the first in a two volume study on Sweden the regional struggles for majority rule national independence traces the background to the relationship Presenting the actors factors behind the support to MPLA of Angola FRELIMO of Mozambique SWAPO of Namibia ZANU ZAPU of Zimbabwe ANC of South Africa it addresses the question why Sweden established close relations with the very movements that eventually would assume state power in their respective countries The second volume later this year will discuss how the support was expressed covering the period from 1970 until the democratic elections in South Africa in 1994 Swapo's Struggle for Namibia, 1960-1991 Lauren Dobell, 1998 *Women Journalists in Namibia's Liberation Struggle, 1985-1990* Maria Mboono Nghidinwa, 2008 Cover Title page Copyright page Contents Struggles within the Struggle An Introduction by Henning Melber Dedication Instruction 1 The Sotho Tswana Peoples before 1800 The Dispersal of the Kwena and Kgatla Lineage Clusters The

Africa from 1956 to 2010 during the periods of decolonisation and the Cold War as well as during the periods of state collapse and the global war on terror In the first two periods the most significant intervention was extra continental The USA the Soviet Union China Cuba and the former colonial powers entangled themselves in countless African conflicts During the period of state collapse the most consequential interventions were intra continental African governments sometimes assisted by powers outside the continent supported warlords dictators and dissident movements in neighbouring countries and fought for control of their neighbours resources The global war on terror like the Cold War increased foreign military presence on the African continent and generated external support for repressive governments In each of these cases external interests altered the dynamics of Africa s internal struggles escalating local conflicts into larger conflagrations with devastating effects on African peoples **Translations on Sub-Saharan Africa** United States. Neutrality and Neutralism in the Global Cold War Sandra Bott,Jussi M. Hanhimaki,Janick Schaufelbuehl,Marco Wyss,2015-12-22 This book sheds new light on the foreign policies roles and positions of neutral states and the Non Aligned Movement NAM in the global Cold War The volume places the neutral states and the NAM in the context of the Cold War and demonstrates the links between the East the West and the so called Third World In doing so this collection provides readers an alternative way of exploring the evolution and impact of the Cold War on North South connections that challenges traditional notions of the post 1945 history of international relations The various contributions are framed against the backdrop of the evolution of the Cold War international system and the decolonization process in the Southern hemisphere By juxtaposing the policies of European neutrals and countries of the NAM this book offers new perspectives on the evolution of the Cold War With the links between these two groups of countries receiving very little attention in Cold War scholarship the volume thus offers a window into a hitherto neglected perspective on the Cold War Via a series of case studies the chapters here present new viewpoints on the evolution of the global Cold War through the exploration of the ensuing internal and mainly external policy choices of these nations This book will be of much interest to students of Cold War Studies international history foreign policy security studies and IR in general **Registratur AA. 3** Basler Afrika Bibliographien,2006 The collection contains primary material from Swapo and about Swapo dating from the 1960s to 1990 It contains the history of Swapo and the Namibian liberation struggle **Official Records** United Nations.
