Laughter J. C. GREGORY (Psychologist.),1924

The Nature of Laughter J. C. Gregory,1924
The Nature of Laughter J. C. Gregory,1999
Romantic Poets and the Laughter of Feeling Matthew Ward,2024

The Nature of
The Nature of

Romantic Poets and the Laughter of Feeling embraces the sublime and the ridiculous to offer a compelling new reading of British Romanticism Matthew Ward reveals the decisive role laughter and the laughable play in Romantic aesthetics emotions and ethics

The Mirror of Laughter Alexander Kozintsev,2017-07-12 The Mirror of Laughter presents a theory of humor and laughter by examining their relationship to human behaviors Kozintsev is especially interested in the relationship between biological and cultural factors that influence behaviors He divides his work into four chapters the first of which establishes a theme of the book focusing on the study of meaning from the perspective of philosophy and psychology while examining linguistic theories of humor The second chapter examines biological data regarding laughter and the evolutionary origins of laughter and humor It demonstrates the author s interest in studying humor objectively by detailing physiological reactions and underlying psychological issues The third section on play including linguistic play distinguishes between orderly and disorderly play While orderly play has no biological roots and is synonymous with culture disorderly play is rooted in the pre human past The final chapter discusses the conflict between culture and nature and how culture has transformed the original semantics of laughter Kozintsev seeks to understand the relationship between the biological cultural and social origins of humor and from here he seeks to create new understanding that only the alliance of several disciplines could provide All of this is done while the author challenges many popular ideas of humor such as that humor is inherently related to hostility Originally written in Russian this work makes great strides towards its goal and it does so in an interesting and enlightening way

Understanding Happiness Saamdu Chetri,Tanusree Dutta,Manas Kumar Mandal,Priyadarshi Patnaik,2023-08-03 This book provides a comprehensive and enriching understanding of the construct of happiness from diverse perspectives It provides readers with an overview of the issues problems and challenges related to well being and happiness The book is divided into three sections It brings together researchers and practitioners from various disciplines including psychology sociology and development studies Each section includes chapters from leading academicians from across the world The first section helps the reader understand happiness from a neuroscientific perspective and explores the relationship between happiness and subjective well being The second section of the book discusses the importance of building personal resources for happiness from a positive psychology point of view The last section examines the importance of happiness in the workplace and suggests a sustainable development plan for happiness It is a must buy book for individuals nurturing critical thought and searching for a quintessential understanding of happiness It presents a unique contribution to the literature with its multidisciplinary focus on specific topics

Treatise On Laughter

Laurent Joubert,1980-06-30 Laurent Joubert b 1529 was an important figure in the medical world of the French Renaissance His monumental Treatise on Laughter provides categories and examples of the laughable The work describes laughter its causes and effects its types and differences His subdivisions and categories along with their examples furnish today s critic and reader with a Renaissance vision of comic commonplaces It is this vision that may prove to be of great value in analyzing comic literature of the Renaissance **Psyche** ,1924 **The Contemporary Review** ,1881 **Laughter in the Middle**

Ages and Early Modern Times Albrecht Classen,2010-09-22 Despite popular opinions of the dark Middle Ages and a gloomy early modern age many people laughed smiled giggled chuckled entertained and ridiculed each other This volume demonstrates how important laughter had been at times and how diverse the situations proved to be in which people laughed and this from late antiquity to the eighteenth century The contributions examine a wide gamut of significant cases of laughter in literary texts historical documents and art works where laughter determined the relationship among people In fact laughter emerges as a kaleidoscopic phenomenon reflecting divine joy bitter hatred and contempt satirical perspectives and parodic intentions In some examples protagonists laughed out of sheer happiness and delight in others because they felt anxiety and insecurity It is much more difficult to detect premodern sculptures of laughing figures but they also existed Laughter reflected a variety of concerns interests and intentions and the collective approach in this volume to laughter in the past opens many new windows to the history of mentality social and religious conditions gender relationships and power structures **Laughter and the Grace of God** Brian Edgar,2020-01-01 We cannot really love anybody with whom we never laugh and this is true of our relationship with God Thomas Aquinas spoke of the sin of having too little laughter as well as the danger of having too much while Martin Luther said If you re not allowed to laugh in heaven I don t want to go there Having a sense of humour is essential for maturity in faith and holiness but sadly the role that laughter plays in life and spirituality have often been neglected Laughter and the Grace of God restores laughter to its central place in Christian spirituality and theology by examining its role in Scripture and highlighting its presence in unexpected places including the story of Abraham and the formation of the covenant and the tragedy of Job Laughter can be found in the incarnation the resurrection and even the crucifixion Jesus is himself the great laugh maker and it is nothing less than a participation in the life and love of God

Japanese Humour M. Wells,1997-06-18 This is not a book of jokes It is about how people make rules about humour rules about what humour is what it is not what it should and should not be when it should and should not be used what type of humour is permissible and what type forbidden what is good and bad about humour what should be considered funny and what should not The book offers a framework for a general understanding of why and how societies make rules about the use of humour and how those rules affect patterns of communication and the development of humour and comedy **Comedy** Eli Rozik,2011-08-24 While assimilating theoretical insights from Aristotle to this day this title contests inter alia the theory of comedy s ritual origin challenges the age old and continuing attempts to determine the structure of action that

characterises comedy and suggests instead that structures of action are shared by all genres **Chamber's Cyclopædia of English Literature** Robert Chambers,1902 **The Monthly Religious Magazine and Independent Journal** ,1859

British Medical Journal ,1860 **Literature And Spirit** David Patterson,2021-03-17 If Bakhtin is right Wayne C Booth has said a very great deal of what we western critics have spent our time on is mistaken or trivial or both In Literature and Spirit David Patterson proceeds from the premise that Bakhtin is right Exploring Bakhtin s notions of spirit responsibility and dialogue Patterson takes his reader from the narrow arena of literary criticism to the larger realm of human living and human loving True to the spirit of Bakhtin he draws the Russian into a vibrant dialogue with other thinkers including Foucault Berdyaev Gide Lacan Levinas and Heidegger But he does not stop there He engages Bakhtin in his own insightful and unique dialogue meeting the responsibility and taking the risk summoned by dialogue Literature and Spirit therefore is not a typically cool and detached exercise in academic curiosity Instead it is a passionate and penetrating endeavor to respond to literature and spirit as the links in life s attachment to life The author demonstrates that in deciding something about literature we decide something about the substance and meaning of our lives Far from being a question of commentary or explication he argues our relation to literature is a matter of spiritual life and death The reader who comes before a literary text encounters the human voice And Patterson enables his reader to hear that voice in all its spiritual dimensions Unique in its questions and in its quest Literature and Spirit addresses an audience that goes beyond the ordinary academic categories It appeals not only to students of literature philosophy and religion but to anyone who seeks an understanding of spiritual presence and meaning in life Through his affirmation of what is dear Patterson responds to the needful question And in his response he puts the question to his audience Where are you Literature and Spirit thus speaks to those who face the task of answering Here I am *The Studies of Nature* Bernardin de Saint-Pierre,1836

When people should go to the books stores, search establishment by shop, shelf by shelf, it is in fact problematic. This is why we provide the books compilations in this website. It will entirely ease you to see guide **Nature Of Laughter** as you such as.
