

Nature

I am a human,
I'm tired from cities,
I am going to nature,
to find peace.

Long and Shady trees,
and that cool Breeze,
made me relax and calm,
and found tree of palm.

The plain ground,
with flora and fauna,
and silence all over the area,
made me feel peace.

The clouds were as light as air,
And blew with the wind,
And the sun set,
Was the day's end

Psychology of Prejudice and Discrimination Mary E. Kite, Bernard E. Whitley, Jr., 2016-06-10 Psychology of Prejudice and Discrimination provides a comprehensive and compelling overview of what psychological theory and research have to say about the nature causes and reduction of prejudice and discrimination It balances a detailed discussion of theories and selected research with applied examples that ensure the material is relevant to students Newly revised and updated this edition addresses several interlocking themes such as research methods the development of prejudice in children the relationship between prejudice and discrimination and discrimination in the workplace which are developed in greater detail than in other textbooks The first theme introduced is the nature of prejudice and discrimination which is followed by a discussion of research methods Next comes the psychological underpinnings of prejudice the nature of stereotypes the conditions under which stereotypes influence responses to other people contemporary theories of prejudice and how values and belief systems are related to prejudice Explored next are the development of prejudice in children and the social context of prejudice The theme of discrimination is developed via discussions of the nature of discrimination the experience of discrimination and specific forms of discrimination including gender sexual orientation age ability and appearance The

concluding theme is the reduction of prejudice. An ideal core text for junior and senior college students who have had a course in introductory psychology, it is written in a style that is accessible to students in other fields including education, social work, business, communication studies, ethnic studies, and other disciplines. In addition to courses on prejudice and discrimination, this book is also adapted for courses that cover topics in racism and diversity. For instructor resources, consult the companion website <http://www.routledge.com/cw/Kite>, which includes an Instructor Manual that contains activities and tools to help with teaching a prejudice and discrimination course, PowerPoint slides for every chapter, and a Test Bank with exam questions for every chapter for a total of over 1,700 questions.
