Underwater and Coastal Archaeology in Latin America Dolores Elkin, Christophe Delaere, 2023-12-05 This volume features a range of theoretical and methodological approaches to underwater and coastal archaeology in Latin America showcasing the efforts of 82 researchers working across the region A Search for Sovereignty Lauren Benton, 2009-11-30 A Search for Sovereignty approaches world history by examining the relation of law and geography in European empires between 1400 and 1900 Lauren Benton argues that Europeans imagined imperial space as networks of corridors and enclaves and that they constructed sovereignty in ways that merged ideas about geography and law Conflicts over treason piracy convict transportation martial law and crime created irregular spaces of law while also attaching legal meanings to familiar geographic categories such as rivers oceans islands and mountains The resulting legal and spatial anomalies influenced debates about imperial constitutions and international law both in the colonies and at home This study changes our understanding of empire and its legacies and opens new perspectives on the global history of law Algunos naufragios ocurridos en las costas chilenas desde su descubrimiento hasta el año de 1800 Francisco Vidal Gormaz, 1890

General. Cámara de Representantes,1902 **Conquistador in Chains** David A. Howard,1997 The current image of the Spanish conquest of America and of the conquistadores who carried it out is one of destruction and oppression One conquistador does not fit that image A life changing adventure led Alvar Nunez Cabeza de Vaca to seek a different kind of conquest one that would be just and humane true to Spanish religion and law yet safeguarding liberty and justice for the

Indians of the New World His use of the skills learned from his experiences with the Indians of North America however did not always help him in understanding and managing the Indians of South America and too many of the Spanish settlers in the Rio de la Plata Province found that his policies threatened their own interests and relations with the Indians Eventually many of those Spaniards joined a conspiracy that removed him from power and returned him to Spain in chains Polemics of Possession in Spanish American Narrative Rolena Adorno, 2007-01-01 DIV The Narrative of Cabeza de Vaca Álvar Núñez Cabeza de Vaca, 2020-06-18 This edition of lvar N ez Cabeza de Vaca s Relaci n offers readers Rolena Adorno and Patrick Charles Pautz s celebrated translation of Cabeza de Vaca s account of the 1527 P nfilo de Narv ez expedition to North America The dramatic narrative tells the story of some of the first Europeans and the first known African to encounter the North American wilderness and its Native inhabitants It is a fascinating tale of survival against the highest odds and it highlights Native Americans and their interactions with the newcomers in a manner seldom seen in writings of the period In this English language edition reproduced from their award winning three volume set Adorno and Pautz supplement the engrossing account with a general introduction that orients the reader to Cabeza de Vaca's world They also provide explanatory notes which resolve many of the narrative s most perplexing questions.
