The Private Heinrich Himmler Katrin Himmler, Michael Wildt, 2016-03-08 At the end of World War II it was assumed that the letters of Heinrich Himmler were lost Yet sixty years after Himmler's capture by British troops and subsequent suicide the letters mysteriously turned up in Tel Aviv and in early 2014 excerpts were published for the first time

by the Israeli newspaper Yediot Aharonot providing a rare if jarring glimpse into the family life of one of Hitler's top lieutenants while he was busy organizing the mass extermination of the Jews. It was generally held that Himmler once appointed head of the SS blended seamlessly into the Nazi hierarchy. The image that emerges however is more subtle. Himmler is seen here as a man whose observations can often be characterized by their unpleasant banality, a man whose obsession with family life ran alongside a brutal detachment from all things human, a serial killer who oversaw the persecution and extermination of all Jews and other non Aryans and those opposed to the regime. His letters remove any doubt that he was the architect of the Final Solution and a man who was much closer to Hitler than many historians previously thought. The letters in this edition were arranged by Katrin Himmler, the great niece of Heinrich and Marga Himmler, and Michael Wildt, a renowned expert on the Nazi regime who also provides historical context to the letters and their author. The entire work was translated by Thomas S. Hansen and Abby J. Hansen. Tales of Happiness Aahana Jain, iNTELLYJELLY is proud to present another aspiring budding author Aahana Jain, 11 years with her first book *Tales of Happiness* published under its esteemed programme of the Author and Publish workshop series. The techniques and fun activity based learning have got their shape in this magical book which promises to keep readers engaged for hours together. Aahana is a bright academically intelligent and scholarly student at Lotus Valley International School Gurugram. Her passion for writing has further bloomed when she has joined the AUTHOR and PUBLISH workshops and since then there is no looking back. The book does justice to the young author's imagination by complimenting her story with well matched illustrations interspersed with notes by the school Principal, parents and mentors. **Eddie** Skylar Jaye, 2014-06-02

Kidnapped Again Honestly Eddie Goodman isn't surprised. As the son of crime fighting superheroes with no powers of his own, he's used to living with a target on his back. Now the League of Evil has him in their clutches once more. However, Eddie's not familiar with this particular villain whose name seems to echo the shadows he controls. Shadow isn't as disgusting as the others like the fiendish Duke Naughty who's been after Eddie for a long time. With a master's degree in Psychology, Eddie calls on his talent to analyze the mind of this new supervillain and finds he's not so evil, just a little dark. When Shadow saves Eddie from those intending him harm, blurring the lines between good and evil, Eddie realizes battling this new enemy and his growing infatuation with the enigmatic man won't be easy. As Eddie struggles to understand Shadow's motivations and his own feelings, he realizes Shadow is exactly the kind of Dominant he'd usually go for, and worse yet, Shadow seems to sense Eddie's submissive nature. Eddie's mind might not want to submit to a supervillain, but his body certainly does. *Goldmine Record Album Price Guide* Martin Popoff, 2009-09-08 Whether you're cleaning out a closet, basement or attic full of records or you're searching for hidden gems to build your collection, you can depend on *Goldmine Record Album Price Guide* to help you accurately identify and appraise your records in order to get the best price.
