Navajo Saddle Blankets Lane Coulter, 2002 By the same token we tend to ignore designs and weaving techniques that are particular to saddle blankets for this is the area where double weaves the two faced the tufted angoras and especially the twills come into their own And finally we miss the lively interaction of this form of textile with the great cowboy culture of the West **BOOK JACKET**

Navajo Textiles Laurie D. Webster, Louise Stiver, D. Y. Begay, Lynda Teller Pete, 2017-08-15 Navajo Textiles provides a nuanced account the Navajo weavings in the Crane Collection at the Denver Museum of Nature Science one of the largest collections of Navajo textiles in the world Bringing together the work of anthropologists and indigenous artists the book explores the Navajo rug trade in the mid nineteenth century and changes in the Navajo textile market while highlighting the museum's important though still relatively unknown collection of Navajo textiles In this unique collaboration among anthropologists museums and Navajo weavers the authors provide a narrative of the acquisition of the Crane Collection and a history of Navajo weaving Personal reflections and insights from foremost Navajo weavers D Y Begay and Lynda Teller Pete are also featured and more than one hundred stunning full color photographs of the textiles in the collection are accompanied by technical information about the materials and techniques used in their creation An introduction by Ann Lane Hedlund documents the growing collaboration between Navajo weavers and museums in Navajo textile research The legacy of Navajo weaving is complex and intertwined with the history of the Din themselves Navajo Textiles makes the history and practice of Navajo weaving accessible to an audience of scholars and laypeople both within and outside the Din community

Reclaiming Diné History Jennifer Nez Denetdale, 2015-09-01 In this groundbreaking book the first Navajo to earn a doctorate in history seeks to rewrite Navajo history Reared on the Navajo Nation in New Mexico and Arizona Jennifer Nez Denetdale is the great great great granddaughter of a well known Navajo chief Manuelito 1816 1894 and his nearly unknown wife Juanita 1845 1910 Stimulated in part by seeing photographs of these ancestors she began to explore her family history as a way of examining broader issues in Navajo historiography Here she presents a thought provoking examination of the construction of the history of the Navajo people Din in the Navajo language that underlines the dichotomy between Navajo and non Navajo perspectives on the Din past Reclaiming Din History has two primary objectives First Denetdale interrogates histories that privilege Manuelito and marginalize Juanita in order to demonstrate some of the ways that writing about the Din has been biased by non Navajo views of assimilation and gender Second she reveals how Navajo narratives including oral histories and stories kept by matrilineal clans serve as vehicles to convey Navajo beliefs and values By scrutinizing stories about Juanita she both underscores the centrality of women's roles in Navajo society and illustrates how oral tradition has been used to organize social units connect Navajos to the land and interpret the past She argues that these same stories read with an awareness of Navajo creation narratives reveal previously unrecognized Navajo perspectives on the past And she contends that a similarly culture sensitive re viewing of the Din can
